## Dolphins Will Try For Two Straight

By Larry Bowen  
As the National Football League season comes gradually to a close there is much speculation as to who will eventually emerge as the year's world champion. Only two teams remain in contention, the powerful Minnesota Vikings of the National Football Conference, and the American Conference champion Miami Dolphins.

The Minnesota Vikings arrived at this crucial contest by defeating the Washington Redskins in the first round of the playoffs and beating Dallas for the N.F.C. championship. The Vikings enter this game sporting a strong defense and a well-balanced offense which they hope will be enough to stop the devastating Miami onslaught.

The Miami Dolphins clinched this game by defeating Cincinnati in the first round of the playoffs and beating Oakland for the A.F.C. championship. The Dolphins will enter this game seeking their second straight Super Bowl victory.

The Dolphins enter this game with an equally strong defense and a very versatile offense capable of striking in the air or on the ground at any time.

Student interest is running high and approximately 80% of the students I questioned predicted a win by the Miami Dolphins. The game, which will be held on January 13, 1974, should provide a very interesting and to big fan's National Football League season regardless of the outcome.

## Teacher Workday Monday

By Yolanda Godino  
Students at Rice High School will have another day of vacation on Monday, January 14.

Teachers will have a work day at the school. Students will return the next day at 9:20 because of the change to Daylight Savings Time.

## Rhonda Kochwelp

By Larry Bowen  
Rhonda Kochwelp's favorite sports star is Jerry West, and like the young Jerry West, Rhonda possesses a great deal of natural ability. Rhonda, a 5 foot 8 inch junior with another year of varsity competition, plays forward very well for the Raiders. Rhonda likes to go water skiing, to twirl, and play tennis. She plays basketball because she likes the sport and enjoys playing. Rhonda likes boys with good personalities who like to go out and have a good time. After graduation Rhonda plans to attend college.

At 5 feet 9 inches tall Domingo Castillo is one of the quality small men on this year's Raider varsity. Domingo, who is a senior, plays guard for the Raiders. His

## Semester Tests Are Held This Week

By Debbie Sommerlatte  
Finals for the first semester are being held this week, January 8-12.

The tentative test schedule is as follows:  
Tuesday: English, Journalism, Music Literature, Art  
Wednesday: Social Science, Health, P.E.  
Thursday: Science, Math (except for Advanced Math), Friday: Vocational, Business, Foreign Language, Advanced Math.

Students should be aware of the importance of the grades on these tests since they will be a major factor in determining if the student will pass or fail this year.

Seniors should be especially interested in these tests because the grades will go down on their transcripts which most colleges usually require.
