## Three Dancy Brothers Are All-District

By Larry Bowen  
The Rice High School Raider basketball team recently had five members named to the three all-district teams and a family set almost stole the show.

Lawrence, Louis, and Darrell Dancy are all brothers and they all played a lot of basketball for the Raiders this season. Lawrence was named to the all-district squad on the first team. Darrell was named to the second team, and Louis was named to the third team on the all-district squad.

Donald Austin also did a fine job for the Raiders this season and he was named to the first team. Kenneth Dawson, another fine player, was named to the second team.

Each of these players gave their all this season and such is deserving of this recognition.

## Help the Animals! Observe National Wildlife Week!

By Sherry Ingram  
During March, the National Wildlife Federation sponsors National Wildlife Week to encourage people to get outdoors and enjoy the beauty and freedom of wildlife.

"Like dominoes, the species of rare and endangered animals are standing on end, placed in this precarious position by man and his intrusion into their fragile environments. A slight push and they will follow the usual trail of the other species that have been thoughtlessly exterminated into oblivion since the Stone Age. We now have the power to control so much of our environment for good, that can save many of these fascinating, highly evolved species if we only stop to think about it in time."

During National Wildlife Week, why not take a hike, take pictures and observe the varied forms of wildlife around you?

## Student Council Running For CVASC Office

By Virginia Toliver  
Rice Student Council will be running for the office of president at the CVASC convention to be held in Bellville on March 18. Currently Rice holds the office of vice-president. A committee was appointed to take care of campaigning.

For this year's project, the Council decided to finance a trophy case.

Hat Day will also be sponsored by the Student Council on March 12.

## New Postal Rates Become Effective

By Phyllis Hoffman  
Beginning midnight, March 1, we said good-bye to the 8 cent stamp for first class letters. Effective March 2, the following rate increases took effect: First class letters went up from 8 cents to 10 cents per ounce; airmail letters, from 9 cents to 13 cents per ounce; and airmail postcards, from 9 cents to 13 cents.

Increases are needed just to keep up with the rising cost of providing the present level of service. It is not only wage increases that are driving up postal costs. "Everything else has gone up, too. The cost of transportation is going up very rapidly because of the increasing price of fuel," stated postal officials. Remember, mail is one of the most mgs.
