Raiders Lose Finale To Leps

By Larry Bowen
The Rice Raiders finished their season on a dismal note as they lost to the La Grange Leopards 12 to 4 at home to finish with a district record of 2 wins and 8 losses, but many fine young players have received valuable experience this year that should be a great help in the future.

Darrell Quinney was the pitcher for the Raiders, who could manage only three hits in his support. The three hits were collected by Oria Mason, Andy Kuba, and Allan Higgins. The big blow being a triple by Kuba that drove across two runs in the fifth inning.

The meeting was closed at 9:30 p.m. after all awards had been given out to the various schools.

She also stated, "I think the Raiders are really working hard together to make up a championship team and I'm proud to be able to say that I'm part of this team."

Previous to track, Glenda has participated in basketball. Glenda is a member of the FFA (Future Homemakers of America) and a member of the English Club.

"I think the Raider team is one of the greatest and most spirited teams there is. I think it has great possibilities of becoming even better in the future," commented sophomore Phyllis Kornenk.

Phyllis's events are the 440 yard dash and the 100 yard dash. This is her first year participating in track.

She also stated, "I took track because I enjoy it and like taking part in school activities. Phyllis is a member of the FFA and a member of the Health Club, and 'Overture for Winds' by Charles Carter.

Band director, Floyd Spennath, commented that in spite of making it this is the best band has ever done.
