

News From The Heritage House

BY BETTY SWANNER

SUNDAY SERVICES:
The First Presbyterian Church held the Sunday services with the Rev. Olan Kneal as the speaker. We had a nice crowd out. After the services, some of the visitors stayed and visited with the residents.

VISITORS:
Mr. Wally E. B. Smith, Jr., brother, F. B. Smith, Jr., brother, and Miss Smith, Wayne Hartman of Victoria, were here Saturday to spend the day with him. Mrs. W. M. Dale and daughters, Julie and Diana from Cherry Point, N. C., and also Mrs. Dan Niewander were here to visit Leonard Niewander.

Quite a few came out to visit Mrs. Niewander's happy birthday. Mrs. Lulu Boone was out again and did some hair care for us. Mrs. Booth was here. Tuesday night a bible study on John 1-12.

Guzmans Welcome Son

Mr. and Mrs. John Edward Guzman of Eagle Lake are the proud parents of a son, born at Nightingale Hospital in Houston, Texas, June 26, 1974. The baby, a boy, weighs 7 pounds, 12 ounces, and is 19 inches long. He is named John Edward Guzman, Jr.

NOW IS THE TIME!

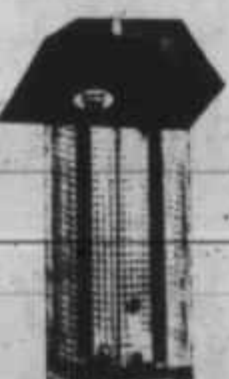

RID-O-RAY INC. Electronic bug & fly killers

MODEL S-15
For smaller yards up to 1.6 acre this 14x14x26 unit containing one 15 watt filtered black light - no outstanding value at only \$89.95

NO HARMFUL CHEMICALS

These electric bug killers will effectively attract and destroy light sensitive insects including flies, mosquitoes, moths, gnats, etc., from 1/4th an acre to 3 acres. Bugs, drawn by the alluring black light, are incinerated in a split second by an electrically charged grid.

MODEL D-15
Equipped with two 15 watt filtered black lights. This 18x18x26 unit is the economical choice for yards up to 3/4 acre. The price is only \$114.95

AN ECOLOGICAL PLUS
RID-O-RAY devices cause no secondary effects harmful to the environment - and insects will never develop an immunity to electricity. The machines are clean, odorless, and because they have no moving parts, they are virtually maintenance-free.

The last thing a bug or fly will ever see!

Mrs. Thomas Teacher At Twirl Camp

Mrs. John Thomas is one of twelve teachers at the A&M University Twirl Camp which is going on this week. Mrs. Thomas is teaching four advanced routines to the girls. One routine is a dance titled to the music "Something for the Cat." Another is a duet and ensemble routine which features partner tricks and ripples. It is to the music "Old Fashioned Love Song." The third routine is a dance which is done with both hands. She will teach this one to drill teams to the music of "Mountain Dew." The final routine is a strut which the twirlers will be able to use on the field and in parades.

In the evenings, Mrs. Thomas will be teaching classes on basic marching, precision corners, pivots, parade work, formation, and responsibilities of the high school majorities.

Many Attend Anniversary Party Honoring Five Couples At Rock Is.

(By Mrs. M. I. Niewander)

The Rock Island Community Center was the scene of an open house wedding anniversary celebration on Sunday, June 23 from 2 to 4 p.m. honoring five couples. They were Mr. and Mrs. R. L. Miller and Mr. and Mrs. J. A. Speck on their 40th anniversary; Mr. and Mrs. Antonio Kula on their 38th and Mr. and Mrs. H. A. Johnson who will be married 50 years soon; Mr. and Mrs. J. D. Henry Jr. on their 54th anniversary; and Mr. and Mrs. J. D. Henry Jr. on their 54th anniversary.

The Community Center was decorated in a multiple color theme of floral arrangements. Upon arrival, each bride received a pretty carnation corsage and each groom a boutonniere presented by Mrs. Mammie Baker. A beautifully decorated white-iced bride's cake and a chocolate groom's cake were centered on the refreshment table with mints and nuts and was covered with a white linen cloth. Mrs. Mabel DeWan served the bride's cake, while the groom's cake was served by Mrs. Mammie Baker.

In the evenings, Mrs. Thomas will be teaching classes on basic marching, precision corners, pivots, parade work, formation, and responsibilities of the high school majorities.

Rice Field Day At Katy Fri.

To Feature
Disease Control,
Variety Tests

Field demonstrations on disease control in rice and soybeans and variety tests will be among some of the highlights of the Western Rice Field Day at Katy this Friday.

The disease control work, under the direction of Dr. Walter Wall, plant pathologist for the Texas Agricultural Experiment Station, will feature foliar fungicide demonstrations to control rice blast, stem rot and a new disease, panicle blight. The demonstrations are located on the Morton Brothers farm near Katy. Five different fungicides were applied at boot and second applications.
