Sheriff Responds In Radio Squabble

(Editor's Note: The following statement was made this week by Sheriff George (Doc) Mueller in response to information published last week in several county newspapers relative to the distribution of radios provided by the Criminal Justice grant in cooperation with the Houston-Galveston Area Council and this county.)

Some things were misquoted in some of the newspapers of this county and I would like to clarify them at this time.

News From The Heritage House

BY BETTY SWANNER

SUNDAY SERVICES Sunday services were held by the First Baptist Church with Rev. J. Melburn Shibley Jr. as the speaker. He made a very good talk on what friendship means to us, toward man and God. We sang some lovely songs with Mrs. Elizabeth Doobie pianist.

We are having a large crowd each Sunday. Most of the visitors stayed after church and had refreshments with some of the residents. Mrs. Bricker and Mr. Cook went out on pass Sunday to their church.

We would like to thank the Wright family for the lovely flowers. There must be continuous growth in knowledge and Christian graces. They must have the ability to make wise choices and live exemplary lives. Usefulness and concern for other people must be the goal of every Christian.

Szymanski Winner In Get-Away

K. R. (Butch) Szymanski of Eagle Lake was winner of one of fifty-six "Get-Away" prizes awarded by Chevrolet dealers in the area in a drawing held last week.

Mr. Szymanski will receive lodging for two for two nights in an AstroWorld hotel and tickets to two Houston AstroWorld games.

He resided at Lake Motors Inc., the local Chevrolet dealer. Previously Joe S. Reed, Jr., owner had announced two local winners, Miss Kathryn McFee of this city and Mrs. Dorothy K. Smith of Houston. They received prizes similar to that received by Mr. Szymanski.

How much are Colorado County families spending these days? What part of their disposable income reaches the cash registers of local retailers?

According to the latest figures, covering the past year, consumer spending has been relatively strong in the area. Despite the constantly rising cost of goods and services, which more than offset the gains in personal income in some instances, most local retailers reported good results. Many of them topped their figures of the previous year.

The findings are contained in a survey made by the Standard Rate and Directory Service. It indicates just how the average family in each section of the country has been spending its money and why.

Food expenditures alone, in local bakeries, butcher shops, supermarkets, grocery stores, delicatessens and other food outlets amounted to \$9,783,000, as against the prior year's \$8,156,000.

This covered only food that was bought for home consumption. Not included is money spent in lunchrooms, restaurants and other dining and drinking places.

Except for the latter part of the year, business was slow in the automotive field as well. Sales of cars, motorcycles, boats, trailers and related items were down.
