He is a member of the U. of H. Cougar Marching Band, lives off campus, and serves as the Director of Music at the First Baptist Church of Alief, Texas.

Traylor Walker is the son of Mr. and Mrs. Jean F. Walker of Sheridan and is a 1973 graduate of Rice High School. Those receiving Topoi charms for First Ten Pound Loss were Ida Causey, Nell Ash, Ada Gunn, and Cindy Eden. Ida and Nell also received their second Topoi for Twenty Pound Loss. Presented with charms for being the way to goal were Ida, Ada, and Cindy. Cindy and Patty Stephens had also reached their goals.

For perfect attendance during the month of December, the group has made a bad showing this summer with three KOPS losing status. This can come about in several ways. A KOPS exceeding the three pound leeway has two weeks to get back within that leeway or she loses status. Failure to weigh in three consecutive times (unexcused) results in loss of status as does failing to weigh in during the month of December. The shock has jarred several up short and the "every morning weigh-in" and daily exercising is well attended.

If you are overweight, you have nothing to lose but pounds and we would be glad to see you on Wednesdays at 9:00 a.m. at the Old Parish Hall. "The more we get together the slimmer we'll be," C. U. Litter! - Reporter.

On an average day, nearly 82,500 are treated in Veterans Administration hospitals.
