Raider Review

People With Extra Spirit

RAIDER REVIEW STAFF
Larry Bowen, Editor
Joe Garcia, Copy Editor
Laurel Anderson, Rick McDonald, Headline Editors
Cecil Hartfield, Feature Editor
Mike Armstrong, Sports Editor
Mrs. Lillian Collins, Sponsor

The RAIDER REVIEW is published by the journalism classes of Rice High School. The opinions reflected are of the students and not the administration, unless stated.

Donna Danklefs Named DAR Good Citizen

(By Larry Bowen)
Donna Danklefs, daughter of Mr. and Mrs. Ted Danklefs of Garwood, has recently been named the DAR Good Citizen of Rice High School. She is now eligible to participate in the state competition and hopefully go on to national.

Donna and two other finalists were chosen by the members of the senior class and the final selection was made by faculty members. The other finalists were Donna Wiesse and Cindy Pavlin. They were chosen on the basis of dependability, service, leadership and patriotism.

If she can win the honor of being National DAR Good Citizen 1975, she will win a \$1000 scholarship to the college of her choice.

Lone Twirler Needs Insurance

(By Larry Bowen)
At the football game October 11, there was an injury because of lack of the proper equipment. Just ask Laurel Anderson how tough football is and she will give you a quick answer.

During the game against Wharton there was a person hurt outside the white lines. As Laurel Anderson and the other twirlers were doing a routine in front of the Rice stands, she was accidentally brought down with one of the best examples of a rolling body block I have seen in quite some time. As the players came out of bounds Laurel was struck in the knee, which caused a lot of pain and swelling later on that night.

After this little escapade, maybe all of the twirlers will take out insurance. Even if they do, you can bet they will keep their eyes open and their knees out of the way.

Sophs Show Fine Spirit

(By Mike Armstrong)
Leading the spirit on campus is the sophomore class. Some of the members of the class distributed cupcakes and rice bags to the faculty members before the pep rally on Fri., Oct. 11. They also had the West Wall covered with spirit posters.

This was the second week in a row that they had won the spirit stick and this gives the other classes the motivation to outdo them, which increases the spirit at school.

CCTSTA To Hold First Meet At Columbus Mon.

(By Trace Hartfield)
Members of the Colorado County Teachers' Association (CCTSTA) will hold their first meeting Monday evening, October 28 at 7:30 in the Columbus High School cafeteria.

The topic for discussion will be the pros and cons of unification with the NEA.

Faculty representatives from the various campuses will introduce all faculty members new to their respective schools.

Titles, new and recent, are listed separately under 15 subject classifications.

The library workroom was open to interested teachers from 8 to 4 daily.

-Pol. ad paid by GOP Women, Mrs. R. R. Wells, Jr., chairman Eagle Lake, Tex.

Baked with family pride.

"Grandmother Baird always taught us to take personal responsibility for the quality of our product. And to this day, the people responsible for Mrs Baird's Bread are Bairds. Our goal, like our Grandmother's goal, is the best bread we can bake."

BILL BAIRD

MRS. BAIRD'S

(By Trace Hartfield)
Pop waltzes are made up of all types of people: those who don't care, the people who are behind their team, and those people who always do extra things that stand out and the people notice.

OEA Sells Novelties

(By Joe Garcia)
This year the Office Education Association (OEA) is actively involved in its major money raising project. This month they are selling articles from a B-Craft kit.

These kits contain twenty different items such as glitter plaques, candles, calendars, coin purse, stationery, pocket ashtrays, wind chimes, etc., with prices ranging from \$1.50 to \$6.00. Students may choose what they would care to purchase and the merchandise will be delivered in three weeks.

This is the first year OEA has used this gift kit, when in previous years, the chapter sold candy. The OEA hopes that the B-Craft will be a better fund raising project.

The money made from the kits will be used to defray the expenses at the Area contest in the spring.

Golf Class Is New Addition

(By Mike Armstrong)
A new class, which pertains to Athletics, has been added to the curriculum this year which is golf.

There are ten members in this class which is coached by Bill Carpenter.

Golf is a game whose object is to sink a ball into each of the 9 or 18 successive holes on a course by using as few strokes as possible and avoiding various obstacles.

Raider Band Receives New Instruments

(By Laurel Anderson)
The Rice Raider Band has received and will receive new instruments in the near future.

The new instruments, which are five baritone, five French horns, three tenor saxophones, two baritone saxophones, two sousaphones, four bass clarinets, one contra-bass clarinet, one alto clarinet, one tuba, one piccolo, a set of orchestra bells, a vibraphone, some cow bells, tambourines, xylophone, and some cymbals, are being distributed all throughout the Rice District to help better the students in becoming better bandmen.

Aroma Waves Around The Building

(By Joe Garcia)
If you happened to walk near the building during this period of last week, you would have sensed the aroma which would have trailed you to the home-making department to seek out the delicious pastries that had been baked.

Home-making III classes have been studying yeast and have baked yeast pastries such as coffee cakes, rose rolls, and a two-hour nut-roll.

This home-making course, under the instruction of Sarah Mahon, is based on the teachings of becoming a better homemaker as well as a consumer.

Juniors Begin Selling Mums

(By Laurel Anderson)
Members of the Junior Class of Rice High School have started their mum sales for homecoming.

This year there are two kinds of mums available, one with short stems for \$5.50 and another with long stems for \$6.00. The mums will be boxed and delivered with a little football attached.

Helen's Flower Basket and Lake Crest Flowers are preparing the mums for homecoming night, when the Raiders and Edna Cowboys meet in district play.

Student Teacher Leaves Friday

(By Joe Garcia)
The first nine weeks has finally passed and Barbara Walker, student teacher, will be leaving Rice Friday, Oct. 25. She is formerly from Houston and is a graduate of Prairie View A.M.

"I enjoyed my stay and I got a chance to meet the faculty members," stated Miss Walker. "I also enjoyed the students from whom I learned so much." As a student teacher, Miss Walker observed for the first two weeks and then taught Child Development for the following two weeks and after this, she taught clothing instructions.

"The students are very nice and their attitudes are very nice - better than the city students," stated the teacher.

HEADS STATE TSTA
Callie W. Smith, superintendent of the Longview Independent School District for the past two years, has been appointed executive secretary-treasurer of the Texas State Teachers Association under a three-year contract. He succeeds L. P. Sturgeon in the top executive position.

The postage increase not only covers delivery but also covers storage.
