Who Were The Five Finalists?

(By Joe Garcia)
"Finding your name on the Homecoming five finalists ballot is like opening a box of cracker jacks and finding a pleasant surprise in the whole box."
The five finalists were: Charlene Parker, Janie Rodriguez, Sandy Tate, Rhonda Kochwep, and Dana Wiesse. Their escorts were Ricky Williams, Frankie Rodriguez, Anthony Mahallie, Allan Higgins, and Daryl Hunt.

Charlene Parker, daughter of Mr. and Mrs. Royal Lester Parker Sr., is a member of the Future Homemakers of America (FHA) and is participating in a play for the speech class. She runs track and enjoys anything involved with the 800 relay, 80 yard dash, 440 relay and the mile relay. In her spare time, she plays basketball, football, and baseball.

"My most unforgettable moment in my school year was when I went to the Astrodome to run and get a chance to see the Olympic star Debra Edwards."
Janie Rodriguez, daughter of Mr. and Mrs. Ignacio Rodriguez, stated that her most memorable time was in her sophomore year when she placed third chair in both All-District and All-Regional band. She is a member of the Health Club and has an interest in U.L.L. music competition.

Sandy Tate, daughter of Mr. and Mrs. Frank Tate, is a member of the English Club and is sweetheart for the Future Farmers of America (FFA).
Sandy stated that the most unforgettable event was this year being a finalist on the Homecoming ballot.

Rhonda Kochwep, daughter of Mr. and Mrs. E. F. Kochwep, is a member of the Business Club and Future Teachers of America (FTA) and is also vice president of the National Homecoming Society and reporter for the Senior Class. Besides being a member of clubs, she participates in basketball and tennis.

Dana Wiesse, daughter of Mr. and Mrs. Clifford Thomas Wiesse, participates in band and she is secretary-treasurer of the Health Club. The most unforgettable event in her high school year was when she was chosen class favorite in the junior class.

Student Council vice president Jim Walker crowned Charlene Parker the 1974-75 Homecoming Queen Friday, November 1, during the half-time ceremonies of the Rice vs. Edna game.

Uncover Lake Scene

Speech Class Finds Painting

(By Larry Bowen)
While preparing for the upcoming program, the speech class uncovered a beautiful picture which had apparently been used in the scenery for a long-forgotten play. Mrs. Barbara Mackay, speech teacher who is in charge of the production, stated that the show will be a take-off on some past and present television shows.

The cast, which consists of over fifty students and faculty members, has begun practice and hopes to present the production, stated that the show will be a take-off on some past and present television shows.

One of the pieces of canvas was sporting a lovely painting of a lake scene of unknown age. Since they found this beautiful picture, members of the cast decided to incorporate it into the play.

Students Show And Have Spirit

(By Rick McDonald)
School spirit was exhibited last week when the Student Council sponsored three activities preceding the homecoming game.

October 30, color day - was observed. Students were arrayed in blue and silver. Thursday was recognition of football players and Friday was car decoration day.

These three activities promoted spirit among the student body.

Mr. Clark explained the different designs and ring sizes. Next he passed out packages with ring sizes and each student was to sign his finger. He then explained that juniors could get a smooth or cut stone. Students were then told of the Old English "B" that could be put on their stones. The rings could be white gold, yellow gold, or sterling silver, whichever the student preferred. Lastly he explained that the girls' rings would cost from 60 to 70 dollars, and the boys from 80 to 90 dollars.

Juniors can expect delivery of their rings in late April.

In the last three decades of this century, the world's population is expected to double - to 7.6 billion.

Furniture Shoppe in Eagle Lake now open until 9 P.M. on Thursdays for your shopping convenience. Adv.
