MRS. J. F. STRUSKA - 754-3352

Nada Christian
Mothers Re-
Elect Officers

The Christian Mothers of St. Mary's Catholic Church met Monday, January 27th at 3:30 p.m. in the Parish Hall with the president, Mrs. Lucille Tull, presiding.

The meeting opened with a prayer led by Father Hoff. The minutes of the last meeting were read; the treasurer's report was given; and correspondence was read.

The ladies decided to do some more quilting the next week.

The election of officers was held with all being re-elected for another year. Those re-elected were: president, Mrs. Lucille Tull; vice-president, Mrs. Bernice Kallins; secretary, Mrs. Irene Eitner; financial secretary, Mrs. Jessie Pavlick; and treasurer, Mrs. Francis Leopold.

Father Hoff then talked briefly about Candle Mass Day on February 2nd; Ash Wednesday, the beginning of Lent on February 19th; and the Forty Hours Devotion beginning Friday, February 22nd at 8:00 p.m.

The meeting closed with a prayer.

Mrs. and Mrs. Ben Richter visited last Monday with Frank Struska at a Taylor rent home and Mr. and Mrs. John R. Trlica at the Granger Street home.

Mrs. Tony Fux of Houston, Mrs. Ben Richter, Mrs. Elsie Krenk and Mrs. Elia Struska attended a Missions Council wedding honoring Miss Rhonda Schilling, bride-elect, at the United Methodist Church, 29th and Main, on Sunday, January 27th. The wedding is scheduled for February 14th in Houston.

Mr. and Mrs. Teddy Kuba and girls spent a weekend in Corpus Christi with Mrs. Kuba's brother and family, Mr. and Mrs. Joe Zaruba and daughter Cheri, recently. They also went to Brownsville to the Gladys Porter Zoo and to Matamoros, Mexico to do some shopping.

Mr. and Mrs. Tony Fux of Houston were weekend guests in the home of Mrs. Richter.

Mrs. Charles Walker of Sweeny visited Mrs. R. B. Shaw and other friends and relatives in Garwood last Tuesday.

Bill Thomas, Jr.
Member Nat'l
Life Underwriters

W. M. Thomas, Jr. of Eagle Lake, agent for Southern Farm Bureau Life Insurance Co., was elected to membership in the Austin Association of Life Underwriters.

In order to qualify, a life agent must complete two parts of Life Underwriter Training Council Curriculum, be sponsored by members, meet other requirements of service in the field, and be voted on by a membership committee.

The primary objectives of the association are to advance public knowledge of Legal Reserve Life Insurance and its uses; to promote the adoption

and application of higher standards of ethics in the profession of Life Underwriting; to increase knowledge of agents; and to provide a medium for community service and promote cooperation and good will.

The Austin Association holds its monthly luncheon meetings at the Villa Capri in Austin. The association also conducts seminars and lectures through the year and is now in the belated General Hospital.

In the accident his right leg was broken above the ankle and the ankle broken, the accident in the left leg was fractured, and his back broken.

Those wishing to send him messages of cheer may address them to him at the Bellair General Hospital 5314 Dabwood, Room 220, Bellair, Texas 77401.

The public is invited. There will be no admission charge.

cent raise, and most of those in the middle-to-high classification will get nine per cent.

Tommy Pale
Injured In
Cycle Accident

Friends of Tommy Pale were sorry to hear that he suffered serious injuries in a motorcycle accident in Houston last Thursday about 1:30 p.m., and is now in the Bellair General Hospital.

In the accident his right leg was broken above the ankle and the ankle broken, the accident in the left leg was fractured, and his back broken.

Those wishing to send him messages of cheer may address them to him at the Bellair General Hospital 5314 Dabwood, Room 220, Bellair, Texas 77401.

The public is invited. There will be no admission charge.

DRIVER ERRORS cause the vast majority of automobile accidents—83.2%—according to a new study made for the U.S. Department of Transportation by an Indiana University research group.

Environmental factors, such as slick roads, caused 16.4% of accidents, account for only 4.2%.

Properly maintained tires did not account for a single one of the 1,305 accidents investigated by the Institute for Research in Public Safety.

The above figures total over 100% because some accidents had more than one cause.

have no idea what is taught in home economics classes today. It isn't just cooking and sewing, it's learning about living with the dual role of home-maker and wage earner in today's fast-paced society. During this week we want to impress on people the importance of vocational education and of Future Homemakers of America as a part of home economics education in preparing us
