### SHERIFF'S REPORT

#### Camp House Burglaries On Increase

By GEO. "DOC" MUELLER, Sheriff, Colorado County

It is that time of the year when people will be spending their camp houses and enjoying weekends and holidays resting from the hustle and bustle of the city. This is the time of the year when burglars start enjoying being away from the city also. However, their reasons are not the same as those of our law abiding citizens. They are out looking for whatever they can take for nothing. Last year there were many arrests made in Colorado County for the act of burglary, and there are many more with no leads, and some not reported. This represents thousands of dollars to individuals.

Even though all unsolved burglaries are still under investigation, the public can help prevent the temptation of the burglar. Refrain from leaving valuables around camp houses and your homes where they can be observed by an unauthorized person who may come along. Eliminate the "Tell Tale" of no one at home by the accumulation of mail and newspapers not picked up. Above all, secure all doors

and windows of your homes and camp houses when you are not around. The public can also help by reporting any and all suspicious looking persons and vehicles observed around a vacant house or unoccupied area. If it is possible, please get a license number. We can do more with an accurate license number than we can with any other type of information. We are here to serve you, so please call on us if you observe anything unusual or suspicious and one of us will assist you in any way possible.

## EL Implement Co. Hosts John Deere Farming Frontiers BBQ

Eagle Lake Implement Co. staged its annual John Deere Farming Frontiers barbecue supper and program at the Eagle Lake Community Center Friday with over three hundred persons from throughout the area on hand for the occasion.

Charles D. Stephens, manager of the firm, extended a welcome to all who came for the event. Clifford Wiese of the investigation. A delicious barbecue chicken menu was served with cold drinks.

Mr. Stephens introduced special guests for the occasion including members of the City Council, the press, and other special guests. He also introduced his company employees and their ladies who assisted in preparation of the meal and in decorations.

Area sale representative Mickey Pettit presided at the showing of the John Deere Farming Frontiers for 1975 film. The interesting film showed in detail the new equipment offered in the John Deere line for lawn and pasture care, for small grains, row crops and forage and hay farming operations.

Also included in the film were some helpful hints in financing programs provided by John Deere and a discussion on Estate Planning as it applies to the farmer.

Also described was the new line of soft goods offered by John Deere from T-shirts to tools of all kinds, both hand and electric.

During the various portions of the film, Mr. Stephens presided at the drawing for door prizes. Winners of John Deere dinner bells were Ned Schuesemann and Benjie Miller, and winners of John Deere portable barbecue pits were Billy Hefer and Durrell Kanstainer.

Concluding the Farming Frontiers film and bringing the program to a very successful conclusion were portions of the farming frontiers film from the year of 1954 and these brought back many nostalgic memories to many of the farmers in particular long-time rice producers Helmer (Pappy) Sealhorn and Ed Causey, both now retired, and to others.

This portion of the film did indeed point out dramatically the great strides that have been made in the production of farm and industrial equipment by John Deere in an effort to keep pace with the increasing need for agricultural products to feed and clothe the people of the United States and over the world.

Members of the Class of 1933 of the Eagle Lake High School enjoyed an evening of fun and reminiscing Thursday, February 27. Under the sponsorship of Joe Anderson, a group of the class traveled by chartered bus to Houston where they attended the Ten

## Marianne Burke To Study In England

Marianne Burke, a sophomore at Randolph-Macon Woman's College, has been selected to spend her junior year at the University of Reading, England. Miss Burke is the daughter of Mr. and Mrs. George R. Burke, Jr. of Lake-side Drive, Eagle Lake.

She will be joined at Reading by 30 other Randolph-Macon students.

The Randolph-Macon Woman's College junior year at the University of Reading includes seminars on British culture and tutorial courses of the student's choice. The city of Reading is ideally located to draw upon the rich resources of nearby London, Oxford, Stratford-upon-Avon, and other cultural centers.

The year-long program also includes guest lecturers, field trips, and access to all the scientific and social facilities of the 5,000-student University. All students are encouraged to attend University lectures in their fields of interest.

President Moore of the Victoria College was the guest speaker at the Sheridan Lions Club Ladies Night on Feb. 25th at the Community Center. He challenged the club to be knowledgeable of conditions that exist in the community and nation and become involved.

In addition to the wives of the local Lions, the club was honoring by having Zone Chairman James Crab and Deputy District Governor Mark Anderson of Eagle Lake in attendance together with their wives.

Alpha Delta Phi sorority held its meeting on Feb. 25th in the home of Ernie Sommerlatte with Mary Lou Seyman-aki as co-hostess.

After a brief meeting, President Martha Lockier turned the program over to Cherry Cornum who presented a skit with the help of Lynda Appelt, Glenda Blair, Diana Brunner and Linda Balas on the subject of "Drama." It was a very entertaining program.

A delightful social hour followed.

The next meeting will be in the home of Jane Clipson on March 11th.

GIRL SCOUTS

GIRL SCOUT TROOP 93 The Girl Scouts have been working on the "Child Care badge." One of the requirements was to give a party for some children. We decided to give a Valentine's party. All the girls participated in making decorations, planning games or baking cookies. If the children enjoyed the party as much as we did, then it was a very successful party.

Also, the Girl Scouts took a first aid course. This course was given by Mrs. Bill Stiles, Mrs. Ralph Gertson, Mrs. John Mahallie and Mrs. Ray Toliver. The course was given at the Ambulance Hall.

Monday of last week we worked on our skills and decorations for the Girl Scout Banquet on March 10, 1975.

Scribe, Becky Anderson.

These members would like other members of the class to contact Joe Anderson of Eagle Lake in order that current addresses would be on file. A repeat performance would be planned in the future with more of the class in attendance.

## Alpha Delta Phi Has Program On Drama

Alpha Delta Phi sorority held its meeting on Feb. 25th in the home of Ernie Sommerlatte with Mary Lou Seyman-aki as co-hostess.

After a brief meeting, President Martha Lockier turned the program over to Cherry Cornum who presented a skit with the help of Lynda Appelt, Glenda Blair, Diana Brunner and Linda Balas on the subject of "Drama." It was a very entertaining program.

A delightful social hour followed.

The next meeting will be in the home of Jane Clipson on March 11th.

GIRL SCOUTS

GIRL SCOUT TROOP 93 The Girl Scouts have been working on the "Child Care badge." One of the requirements was to give a party for some children. We decided to give a Valentine's party. All the girls participated in making decorations, planning games or baking cookies. If the children enjoyed the party as much as we did, then it was a very successful party.

Also, the Girl Scouts took a first aid course. This course was given by Mrs. Bill Stiles, Mrs. Ralph Gertson, Mrs. John Mahallie and Mrs. Ray Toliver. The course was given at the Ambulance Hall.

Monday of last week we worked on our skills and decorations for the Girl Scout Banquet on March 10, 1975.
