High School boys basketball team traveled to the state championship basketball tournament in Austin last week-end for the first time in the history of the school, and the Raiders turned in a fine performance for the first half before giving way to a spirited second half effort by the South Grand Prairie Warriors to drop out of the competition with a 70 to 57 loss.

The Raiders pretty well controlled the contest for the first two periods, but began to waver under the pressure of the Warriors late in the second period. Rice led 13 to 10 at the first intermission, and fell behind 27 to 26 on a last second field goal by the Warriors before the halftime intermission. At one point in the first half they held an impressive eight point lead over the Warriors.

Ronald Glover, 6-5 forward for the Raiders picked up four fouls and from that point on the Warriors controlled the backboards and especially the Raiders fell behind 48 to 42 at the end of the third period. The hundreds of Raider fans felt confident the Raiders could surmount this lead in the final period, but the Warriors had another opinion on this matter and they demonstrated some quickness and shooting ability that delayed the Raiders and were in command of the game with a 74-2107 series. A Virginia Satchel had the top series with a 140-548 and true somerollette rolled the high game of 208-527. Elaine Sontag posted a 191-617.

The Raiders led the league with 63 wins, followed by Sheridan Drilling with 57, Monahan 54, Deuces Wild 50, Big Sandy Lease Service 47 and Abigails 46.
