ELECT JANE CLIPSON School Trustee, Position 7

Rice Consolidated Independent School District

The Board of Trustees of the Rice School District is to provide for a school system and establish general policies in keeping with the wishes of the community and the requirements of state law. I pledge myself to be a spokesman for the citizens of the community, and to be well-informed of the opinions and concerns of those I represent. I would welcome and encourage communication with parents, teachers, students, and interested persons.

The Rice Consolidated Independent School District is a good system, but it could be better. Improvements can be made in curriculum, such as a stronger academic program for college bound students, more fine arts courses, expansion of vocational programs. The major concern of the Board of Trustees is to educate the youth of the community so that each person may become a well-informed citizen and to develop his physical, mental, personal, and moral capacities. I believe that a person with different experiences and ideas is needed on the School Board to improve the quality of education offered to our students.

The Board of Trustees is responsible for school personnel. As a former teacher I believe I could be an asset in considering personnel matters. If teacher morale is high the students will have a better opportunity for successful learning experiences. I am familiar enough with classroom situations to make a fair evaluation if problems should arise.

Another area of responsibility of the Board is school curriculum. The Board decides the general scope of the local educational offerings. I believe that because of my experiences with youth and as a teacher I would be qualified to evaluate board policies related to curriculum.

I pledge myself to visit all schools in the district regularly so as to be well-informed of the progress of the educational programs of our schools. LET'S WORK TOGETHER TO MAKE THE SCHOOLS SERVE MORE EFFECTIVELY THE NEEDS OF OUR CHILDREN.

I solicit your support in the School Board election, Saturday, April 5, 1975.
