Raider Review

Editor: Judy Spates
Reporters: Mike Armstrong, Daryl Beheler, Mark Hoover, Clark Peterson, Bob Morgan, and Denise Wiese
Lillian Gohlie

The RAIDER REVIEW is published by the journalism classes of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless so stated.

WHAT IS A TRUE RAIDER FAN??

A true Raider fan is one who supports all sports throughout the entire year, not just one sport. Looking at it objectively, football is the largest supported sport at school, what about all the other sports? It is very hard to get people to cheer at tennis and track meets, but at least let the teams know the fans are behind them.

Baseball is another sport that's hard to get supporters, but at least try and make more effort to support the teams. Basketball is a sport the student body and townsmen do support sometimes next to football. Over the past years you did not hear too much about the basketball teams the same as track, tennis and baseball. The only way you might know about them was to read it in the newspaper. This sport like all the others excluding one was in the shadows. The past year we have seen many supporters come out of their wormholes and support basketball. This happened only because the "74-75" boys basketball team had an outstanding year and ended up at the state tournament. If you can recall, the crowds did not begin to appear until the boys began playing for the title of west zone champs. This type of turn out is fantastic, but what about all the previous games? Those games count too! The girls team also had an outstanding year, coming in second in their district. And again the support was low! This is not building up basketball, but instead is merely a good example. Every sport needs support to help the team's ego! Also, help the cheerleaders by yelling with them at the games.

All this is saying is keep your spirits high during all active sports and let the team members know you are behind them 100 percent.

Be a true Raider fan and support all sports!!

STAR-SPANGLED HISTORY

HISTORICAL DRAWINGS BY JOSEPH ROGGS BEALE 1841-1828

"FOCAHONTAS SAVES SMITH"

While out on expedition, Captain John Smith, leader of the colony at Jamestown, was captured by Indians. Pocahontas, daughter of the Indian chief, saved Smith's life by throwing herself between the bound colonist and his executioner and begging her father to spare him. Pocahontas, later married an English settler, John Rolfe, and went to live with him in London, where she died of smallpox. Thurs., Nov. 26 Last Day to Order Annuals

(By Mark Hoover)

Thursday, November 26 is the last day students have to purchase an annual for the 1975-76 school year at Rice High School.

The regular price for annuals is \$9.00 and for a cover an extra 50¢ is charged. However, after November 26, the annuals will cost \$11.00. There are many new features in the annual that Rice has never seen before. There will be color pictures of the seniors and also extra pages of their activities.

Janice Kallina Is Candidate For Miss Gulf Coast

(By Clark Peterson)

Miss Janice Kallina will represent Garwood in the Miss Gulf Coast Pageant set for December 4-6 in Beeville. Janice is a senior here at Rice High School and the daughter of Mr. and Mrs. Anthony Kallina of Garwood. Her school activities include Student Council, band and drama. Her favorite subjects are government and biology and after graduation she plans to attend Texas A&M University.

Her talents include singing, dancing and cooking. Her interests are basketball, swimming and horseback riding. As her friends know, Kathy strives very hard to keep this record intact, and she reacts vehemently when her car pool suggests cutting classes on the way to school.

Kathy commented that she does not know of too many people with such an achievement and that she is proud of her record.

Basketball Girls Bring Victories

(By Judy Fry Spates)

On Monday, November 17 at the Rice High School gymnasium, there were three basketball games.

The first game was played by the freshman girls. The starters were Vivian Banks, Silvia Briscoe and Angel Farrow as forwards and Annette Axel, Sharon Sims and Roberta Tomchesson as guards. The freshman girls had a great victory with the score of 52-15.

The second game was played by the junior varsity girls. The starters for the JV were Jane Dostal, Evelyn Fry and Debra McCauley as forwards and Andrea Parker, Tanya Pratt and Tammy Walker as guards. The junior varsity also had a great victory with the score of 45-20.

The final game was played by our mighty varsity team who also had a marvelous victory with the score of 74-23. Mary Banks, Eliza Keeter and Mary Jo Spauld started as forwards and Lena Frantz, Debra Parker and Beryl Shorter started as guards.

The money they will need. They have had only one problem so far concerning the band for the prom. All the discrepancies have been worked out, however, and the prom, originally scheduled for May 1, has been rescheduled for April 3 with Redwood performing.

Prom Has Been Re-Scheduled

(By Bob Morgan)

Sandra Benge, head sponsor of the junior class, is working very hard with the juniors to make the 76 junior-senior prom the best so far.

The junior class does not have to worry about funding the prom, because they have worked hard and raised all

Absenteeism At Low Percentage In Rice HS

(By Judy Fry Spates)

After the first quarter, the freshman class has the lowest percentage of absentees at Rice High School.

The total absentees for the freshman class is 177 days, the sophomore class 211 days, the junior class 207 days, and the senior class 204 days. And, the percentage for the freshman class of students that are present is 96.3 percent, sophomore class 94.76 percent, junior class 94.76 percent and senior class 93.94 percent.

There is a total membership of 541 students at Rice. And, an average daily attendance was 528.77 days for the last six weeks.

Holidays Are Appreciated!!

(By Mike Armstrong)

Rice High School students have been back in school after enjoying a short break from the first quarter of this school year. Many students used this time to gather their guns and coats to go deer hunting.

The deer season opened two weeks ago and students have traveled around Texas in search of these animals. The deer provide good eating and also the hunters can be mounted to show off their prize catch.

Since hunting is so popular in this area, we can enjoy our weekends a lot better by the opening of various hunting seasons. If you don't believe this, just ask some of the hunters at Rice High School.
