COMMUNITY CENTER GETS HOLIDAY, PATRIOTIC DECOR

The Eagle Lake Community Center received its holiday decorations last week under the supervision of the Eagle Lake Rotary Club. Frank Sherris, chairman of the decorations committee, and Tommy Pilkington, president of the club, headed the decorations project.

The decor this holiday season is reminiscent of the centennial celebration which will be observed during 1976. The patriotic theme is combined with Christmas decorations for the round of holiday parties which begin this week. Dec. 3rd with the Eagle Lake Jaycees holding their Christmas party.

The decor uses red, white and blue building around the top of each of the walls and long red, white and blue hanging the length of each of the columns in the center.

A tall high green Christmas tree with an assortment of tinsel and decorations, spotlighted by a rotating color spotlight is a highlight of the Christmas decorations.

Table decorations include an arrangement of miniature trees and lights in Christmas greenery.

The patriotic decor will remain in the center throughout the 1976 Bicentennial observance.

The Eagle Lake Fire Department will hold its annual Christmas party in the center beginning at 7 p.m. this Saturday, Dec. 6th.

Other activities include a youth party at the center for the holiday season.

A youth party is scheduled in the Center Fri., Dec. 12.

The Eagle Lake Rotary Club will hold its annual Christmas party in the center beginning at 7 p.m. on Tuesday, Dec. 16th.

On Wed., Dec. 17th the Colorado County Peace Officers' Association will hold its Christmas Party beginning at 7:00 p.m.

The Eagle Lake Noon Lions Club's annual ladies night Christmas banquet will be held at 7:00 p.m. on Thursday, Dec. 18th.

The report on the fire department's activities was given by Assistant Chief T. J. Smith at the annual ladies night Christmas party held by the firemen on Saturday night of last week. Due to the fact that the banquet was held earlier this year than usual, the report given was for the first eleven months only. A final report will be given on the department's activities during the first of the year noted Smith.

The total of 53 fires included in the report listed 15 in town fires and 37 out of the city fires. With the regularity of grass fires since the report was prepared, the total is expected to climb considerably before the end of the year.

In 1974 the department was called to 22 in-town fires and 29 out of the city.

So far in 1975, the department was called to one fire in town, a train derailment, two vehicle fires, two business fires, one gas pump fire, one gas explosion, one tractor fire, 23 grass and trash fires and three false alarms.

Gary Glaser led the firemen in attendance at the fires for the first eleven months, making all 15 fires in the city and 33 of 37 out of town for a total of 48 of the 52. Terry Dostal was the only other fireman to make all 15 of the in-town fires and he also attended 10 of 37 out of town alarms.

Charles Grisco attended 22 of the 37 out of the city alarms for second highest in that department and went to 12 of the 15 in-city fires for a total of 44.

The board also heard Supt. E. A. Krivack report that the utilities allocation in the 1975-76 budget is expected to be taxed by increasing costs of power. He noted that a survey in the Rice District since the opening of
