The 1975-76 term showed that 9% less fuel was consumed but costs were running 10% more than for the same period last year.

The board also heard a letter from Eagle Lake Chamber of Commerce president Emily Stiles asking for the consideration of entering the Eagle Lake, Garwood and Sheridan elementary bands in the Bicentennial parade planned in Eagle Lake on July 1st. Sgt. Krivicki reported that the music director Floyd Spenshorth and Eagle Lake Middle School principal James Crab, a former band director, are considering the formation of an area band since it would be difficult to get students from the regular bands together due to the summer holidays.

Board member Dr. R. R. Thomas said that the district should make every effort to have representative bands in the parade because other school bands in the area are being invited.

"We surely don't want our Rice District to have an entry that would not be up to par with other band entries." The matter will be considered further with Mr. Spenshorth and elementary band directors.

TEXTBOOK COMMITTEE
New books up for adoption during the 1975-76 school year are in the areas of grades one through six math and grades one through six spelling. The board approved a textbook committee to be chaired by Mrs. E. A. Krivicki and with Assistant Supt. Charles DeShazo and building principals concerned with these subjects on the committee along with teachers Annette Tise, Tom Huber, Mae Ashby, Wilma Hoff, Byron Zavesky, Henry Kalich, Claudine Shorter, Glen Mahaballe, Charles Bonshel and Rosemary Smith.

In concluding their concert, the band and choir will invite the audience to join them in several familiar carols. No admission will be charged for the program.

ministration and faculty members for the 1976-77 year, will begin at the January session when the contract of the Superintendent comes up for consideration.

Red-Nosed Reindeer". The band will play several Christmas selections, beginning with a medley of "The Christmas Song" and "Silver Bells". A second medley will consist of "Joy to the World" and "The First Noel". They will play an arrangement of "The Little Drummer Boy" and a group of old English carols: "Lo, How A Rose", "God Rest Ye Merry, Gentlemen" and "Good King Wenceslas". They will be joined by the choir for a popular number, "All I Want for Christmas is My True Love".

Geo. "Doc" Mueller, Sheriff and Deputy.

Sheriff's Car

(Continued from page one)
ing that he did not oppose the purchase of a new car, but said that he believed that one of the older models should be traded in for a more modern vehicle to measure in the sheriff's department.

County auditor M. L. Briscoe earlier had advised against keeping the older car because of excessive repairs and maintenance that might be expected from a vehicle with 400,000-plus miles.

Precinct 1 Commissioner Rafael Vesela made the motion to buy the new car but to retain the one now in use commencing that the department needs the additional vehicle especially in time of repair and service to some of the other cars. This viewpoint was shared by Precinct 1 Commissioner Walter Henkeles. Precinct 4 Commissioner Bill Stiles urged more preventative maintenance on the vehicles but voted for the purchase.

Chief deputy Briscoe told the court that Sheriff George (Doc) Mueller's department has a 1971 Chevrolet with over 300,000 miles which is used by the night patrol and also by a deputy in daylight hours; a 1970 Ford with 145,000 miles is used by the day patrol.

He said the new unit will soon need a rebuilt transmission.

Also the department has rolling a 1973 Ford with 110,000 miles used by the road patrol officer; and three 1974 models, one used by the sheriff, one by the chief deputy, and the other by a day deputy.
