Mental Health Fund Drive Here In May

During May, Mental Health Month, a neighborhood will be coming to your door for a contribution for the mentally and emotionally disturbed.

Donations will benefit the Texas Association for Mental Health, a voluntary organization working to promote aid to mental health.

How important is this cause? Look at the facts, then you decide.

Mental illness affects more than 10 million Americans each year, yet most cannot get adequate care.

70 percent of all hospital beds in this country are occupied by people with mental or emotional complications.

Children are as likely to have emotional problems as adults.

Mental disorders can be cured, but more research is needed.

Research is helping to solve the mysteries of mental illness, and the more we know, the more we are looking forward to a successful drive in Eagle Lake this year. Mrs. Bellinger is sponsoring Mrs. Bollerger.
