Street Lights, Windows Shot Out With Rifle

Eagle Lake police were called last week to investigate a shooting in the northwest part of the city.

Chief Roy Chisum said that some one shot out windows in the former C.P.L. building on Postoffice street west of the Oscar Millers and also shot out five or six street lights on Cemetery and Burns streets. The officer said that several signs in the area were damaged with shot from a .22 rifle.

The chief pointed out that this is a serious violation of malicious mischief and also creates danger to residents in the area that might be injured from the stray bullets.

If any persons in the area have information that might lead to the identity of the person or persons who did the damage, they are urged to contact Chief Chisum.

SINCERE THANKS

I wish to express my thanks to my friends and relatives for their prayers, flowers, gifts and cards, as well as many other expressions of love during my stay in the Eagle Lake Community Hospital following my serious accident. Special thanks to Dr. J. C. Laughlin, who was ready to help me in any way possible. The ambulance arrived with me, to give me immediate attention and cared for me in the following days. I appreciated the attention and kindness rendered me by the entire hospital staff, including the Pink Ladies, Candy Strippers and all the staff. The Rev. David Edgar, for his visits and prayers, and telling me of the several groups in the church who offered prayers for me. Now that I am at home, my wonderful neighbors are here every day bringing food, running errands and caring for me in every way that I can. First Aid given by Mrs. Emily Siles, before the ambulance arrived, meant so very much. God's richest blessings be with all of you.
