Alpha Delta Phi Hosts Valentine Sweetheart Dance

MARILYN THOMAS, Xi Pi Psi Sweetheart

SANDY BENDY, Alpha Delta Phi Sweetheart

On February 13, members of Alpha Delta Phi in connection with Xi Pi Psi held a Valentine Dance at the Eagle Lake Community Center.

Music for the annual dance was played by Dulwich Fox and was enjoyed by all of the guests throughout the evening.

Highlighting the event was the announcement of two Valentine Sweethearts, one from each sorority chapter. Frances Dromgoole, the 1975 sweetheart of Alpha Delta Phi, announced as winner of that sorority, Sandy Bendy and awarded her the traditional sweetheart trophy. Frances also named the sweetheart for the exemplar chapter, Marilyn Thomas who unfortunately was unable to attend the dance. In addition to the announcement of two Valentine Sweethearts, one

Alpha Delta Phi Meets In Adkins Home

Alpha Delta Phi chapter of Beta Sigma Phi members met in the home of Laverne Adkins on Thursday, Feb. 26th. Dianne Causey called the meeting to order with 11 members present.

Charlotte Reed reminded Laverne to serve refreshments at the Opportunity Center on Wednesday, March 3rd.

Marsha Waddell, program chairman, announced that the next meeting will be held on Tuesday, March 9 at the home of Martha Laughlin. Following the business session, Linda Balas gave an interesting program on "A Woman Alone". She explained the purpose of karate which may be a way of self defense to a woman who is being attacked. She demonstrated nine areas of the human body where if you strike a hard blow could cause great pain to the assailant. Linda advised the members to use this type of defense only when it is absolutely necessary and to try to run or scream first. The members then were surprised by an assailant, which was Charlotte dressed in disguise. Linda demonstrated how to disarm a person carrying a gun, knife or club and each time it was done with a different technique according to the weapon. Linda then suggested that every woman read a book entitled "Widow". The author of the book who had become a widow at an early age writes of her experiences and how she dealt with her problems as a widow and a woman left alone with two small children.

UDC Sponsors Silver Tea, Quilt Exhibit Mar. 11

The United Daughters of the Confederacy will sponsor a Silver Tea and Bicentennial Quilt Exhibit benefiting the UDC Memorial Museum, in the Courthouse square in Columbus, the home of Mrs. James N. Cranek at 525 Wallace in Columbus on Thursday, March 11 from 3 p.m. to 6 p.m.

Tickets will be $1.00 each at the door.

The public is cordially invited.

Xi Pi Psi Entertained By Cherry Corman

The regular meeting of Xi Pi Psi chapter of Beta Sigma Phi was held on Tuesday, February 24 at the lovely new home of Cherry Corman. Two guests, Kay Clipson and Charlotte Reed from Alpha Delta Phi chapter, and eleven members were in attendance. Before the meeting, Cherry graciously took the group for a tour of her new home.

Members have been asked to take part in the Hypertension Clinic and hope to be able to arrange for Russell Thomas to be present at a future meeting. There was discussion that both sorority chapters meet simultaneously for this purpose.

An International project is to be added to the many charities of Beta Sigma Phi. Each chapter is making a decision between an Arthritis Research Foundation and Ranch Hope for Boys in New Jersey. The Arthritis Research was voted on unanimously by the members.

Many Valentine gifts were sent to "Secret Sisters" and thank you's were said. Marilyn Thomas expressed her appreciation for being named Valentine Sweetheart.

The program, "A Woman Alone", was presented by Rita Sunderman and Marilyn Thomas. Karate was the theme used to show how a woman can defend herself. Rita, who had taken a course in karate, gave a history and pointed out facts on self-defense. Marilyn would rush in as a would-be assailant and Rita demonstrated how to throw her down. Members were then asked to take part and practiced some throws. The karate program was fun and informative.

The hostess served refreshments and an informal social followed.

...uphy, each was presented a bouquet of flowers.

Sandy and Marilyn were chosen by fellow members by secret ballot on their beauty and will represent the two sororities on a float at the Bicentennial parade in Eagle Lake later this year. Also, a photograph of each of the sweethearts will be entered in the Beta Sigma Phi International Valentine Queen contest in November.

Sheriff Mueller's Monthly Report

Call Suspicious Actions To Sheriff's Dept.

I would like to take this opportunity again to advise our citizens to please call us when you have any problems or notice anything of a suspicious nature. If you should have anything to report to the Sheriff's Department which pertains to police work, please call us collect. At times, some of our citizens called elsewhere to get information to us and we were late being advised and at times were never advised of your call. If you have something to report within the City Limits the police of that city should receive the call. Anything outside the city limits should be called in to the Sheriff's Office direct. Even though we have authority within the city limits, we assist the City Police when they ask us unless we receive the call direct. Remember, the Sheriff's Office is open 24 hours a day to serve you, so please let us do so. If your information is in nature that you wish to speak to the Sheriff or Chief Deputy, please call us at home. The Sheriff's number is 263-5152 and the Chief Deputy 732-3950. I have deputies stationed over the entire county for easy access to any problems which may arise.

Holy Land Pilgrimmage June 5-19

The 1976 Mediterranean Pilgrimage on board the luxury liner Piraeus has been rescheduled on the dates of June 5th to 19th so that more can make plans to go, announces the Rev. David Edgar, pastor of Colly Memorial United Church, and one of the host tour guides for the two week cruise.

The final deadline for application for the cruise is the latter part of April. A number of Eagle Lake citizens are planning to make the pilgrimage.

"This means that we need to get on board now with our applications," said the Rev. Mr. Edgar.

Dr. Jack Heacock who recently conducted the Witness Mission at Colly Church noted, "you'll never be younger and the trip will never be any less expensive."

Give the Rev. Mr. Edgar a call today if you want more information and are interested in making this exciting tour. There is a one package price for all accommodations, meals, etc.

Dr. William Hendricks of Southwestern Baptist Theological Seminary will give regular ship lectures; and Dr. Joseph Quillian, dean of the Perkins School of Theology, will serve as the worship leader for the passengers.

Holder Represents Rice CTA at State

The Rice Classroom Teachers Association was represented at the 31st annual Texas Classroom Teachers Association convention by Rodney Holder of Rice High School. The convention, which had as its theme: "We are teachers--molders of lives," was held at the Dallas Convention Center February 19 through February 21.

Although primarily concerned with adopting a new constitution, the convention also featured many displays and exhibits of the newest curriculum and instructional materials and programs. Shown was a special vehicle called the "Helpmobile" which is a traveling library, of teaching materials. The "Helpmobile" is available to schools throughout Texas upon request. It has been scheduled by the Rice CTA for this district at a date to be announced.

tee will study the school and community and establish how near you come to achieving your school's philosophy. We're not here to give you Brownie points for your work but hope instead to provide some guidelines to assist you in making this a better school," said Dr. Norwood.

The chairman outlined the way the Southern Association came into being and its purposes, commenting that before this evaluative program all students entering college were required to take examinations before admittance.

At each of the orientation meetings slide film were given providing school and community information and also the respective school's philosophy was given.

At the Eagle Lake Middle School, Principal James Crabb welcomed the visiting committee and introduced special guests including board members, the press, members of the ELMS Student Council who assisted in serving, and the cafeteria staff which prepared the roast beef menu.

Mrs. Elizabeth Miller presided at the presentation of slides giving information on the school, community and teachers; and Mrs. Mary Zavesky presented the ELMS philosophy.

Sister of Mrs. Miles Passes Away

Mrs. J. C. (Bessie) Williams passed away in the Eagle Lake Community Hospital following a week's illness Friday night, February 20 at 8:20. She had been in failing health for the past three months.

Funeral services were held from the Pitts Villon Funeral Chapel in Cleburne with interment in the Emeral Hills Memorial Park Cemetery in Kennedale.

B. B. Stevens and David Wallace of the Cleburne Central Church of Christ officiated at the services. Music was provided by the Central Church of Christ singers.

Mrs. Williams was born September 11, 1892. She lived most of her life in the Cleburne-Fort Worth area. She came to Eagle Lake to make her home in the Heritage House where she resided only a week before becoming ill and was taken to the local hospital.

Survivors include one sister, Mrs. J. H. (Mamie) Miles; a niece, Mrs. Alvin Wiese; and a nephew, J. D. Miles, all of this city; a niece, Mrs. D. L. Richardson of Houston; two nephews, Del Halyard of Dallas and Floyd Halyard of Cleburne; and a number of other relatives.

Preceding her in death were her husband, and a son, Carl E. Williams, who passed away just three months ago.

She was a faithful member of the Central Church of Christ and shall be dearly missed by her loved ones and friends.

FB Elec. Death Hazard Programs Presented

Sudden-death hazards were animated by Joe L. Smetana, Waco Safety Director for the Texas Farm Bureau, as part of a graphic electric shock prevention demonstration held Tuesday, March 2 at 8:30 a.m. and 1:05 p.m. for students at Rice High School; and at 6:30 p.m. at the Sheridan Community Center for the Sheridan Lions Club.

The average modern home has 120-volt or 240-volt, 60-cycle alternating household electrical current with a capacity of over 100 amperes. Electricity is constantly seeking ground. Unfortunately the human body can complete the electrical circuit. Medical authorities agree that if the amount of current required to light a 15-watt bulb, which is only 1/10 of an ampere, should flow through your heart, death might result in just one second.

Smetana achieved the animated effect of electric shock to the human body, via arm-to-arm and arm-to-feet with the use of a special plastic figure representing man - the "misuser" of electricity. The plastic man, several household appliances and portable power tools have special wiring and bulbs that actually light up - producing the animation.

With each sequence of accident producing events, both inside and outside the "danger house", Smetana offered prevention and protective methods.
