## Raiders Review

**Raiders Dominate All Zone Team**

(By Mike Armstrong)

All five starters on the boys' basketball team made the all-zone teams announced Wednesday of last week. This is the second year in a row that every starter has been named to the prestigious all-zone team.

Making the team for the second year in a row are Darrell Dancy, Kenneth Dawson and Steve Grammer to the third team all-zone honors. James Parker was named to the second all-zone team and Steve Grammer to the third team all-zone honors.

Congratulations to these young men who played excellent basketball enabling the Raiders to win the west zone. The Raiders finished the season with a 20-8 record.

**Drugs Are Not The Answer**

(By Judy Fay Spates)

Many people say that drugs make you feel high when you are down in the dump. And when it seems like the world has turned its back on you, it makes you feel wanted. We all know that drugs are not the answer and never will be the answer. Most of the time when young people get hooked on the drugs, it is not because they want it, but because they are being told to use drugs to get in the crowd, to be in there long because drugs will kill you. And, also, if you have to use drugs to get in a group, it must not be a very good group, because only consider use drugs. Here is a prose that will tell you just what will happen to you if you are overtaken by drugs. The name of the prose is "Miss Heroin" and the title really tells you what the prose is really about. So, I hope you take these points seriously and take life as it comes. Because if you are not capable enough to obtain enough strength to overcome certain problems in your life, this shows you are not fully mature. So, I hope you take these points into consideration, because you're never too old to take advice.

So now, little man, you've grown tired of grass, LSD, acid, cocaine, and hash. And someone pretending to be a "true friend" has said, "I'll introduce you to Miss Heroin". Well, honey, before you start fooling with me, I just let me inform you of how it will be. For I will reduce you and make you my slave. I've sent men much stronger

**Auto Mechanics Attend Contest**

(By Clark Peterson)

On March 3 in Houston, some of the auto-mechanic students displayed a variety of projects in the VICA contest.

Edward Munoz and Jeff Wagner showed a completely overhauled Chevrolet small block 283 with all assembled parts. This was the first time Rice showed a complete motor. Munoz also showed a distributor and Wagner displayed a disc brake rotor and quarter jet carburetor.

Larry Contreras showed a Chevrolet starter, Thierry Hoffman showed a master cylinder and a distributor. James Salinas showed a disc brake rotor and an alternator. A Chevrolet 327 head was shown by Graham Beisel. Tommy Crank displayed a distributor.

All these students worked hard on their projects. Entered in speed drills were Tommy Crank, Thierry Hoffman, Edward Munoz and Jeff Wagner. Wagner was also entered in job interview.

**Pressure Put On Students**

(By Denise Wiese)

On March 15-18, Dr. Raymond Thomas and Russell Thomas will be screening students for high blood pressure with parental consent. Some of the data that will be evaluated from the students' tests will be used in a research project on this disease.

This disease is the greatest contributor to the greatest killer in America today. Studies from this disease can begin at age fifteen. At least 50% of the people who have high blood pressure do not know they have it.

## 44 Students Average 4.0

(By Denise Wiese)

Forty-four students had a 4.0 or over average this past six weeks. Out of the freshman class 13 students were 4.0 or over. The sophomores had 14 students, juniors had 7 and the seniors had the largest number with 13.

The students are: Ninth Grade: Cheryl Crabb, Jennifer Gold, John Grammer, Carol Holzmann, Jackie Kallina, Joyce Koresk, Mary Ann Schoellman, Bruno Shimek, Madison Smith, Stephen Spanghel, Roberts Tomcheson, Janet Wied;

Tenth Grade: Robert Abell, Betty Lou Bessie, June Desautel, Becky Gertson, Cindy Kingsley, Ricky Kristynik, Mark Krivack, Laura Hobbs, Russell Scott, Virginia Scott, Clayton Smith, Nina Zbrank;

Eleventh Grade: Sherry Falick, Crystal Jones, Brenda Kallina, Patti Mathis, Gerald Popp, Glenda Popp, Linda Sommer;

Twelfth Grade: Cindy Berger, D'Ann Davison, Kathy Frybert, Clifford Hodda, Chris Kleker, Phyllis Koresk, Bob Morgan, Wayne Pirtle, Mary Ann Seifert, Sheryl Smith, Mary Jo Spanghel, Carmen Stallman and Terry Teague.

**Area OEA Winners**

Prudently displaying their area plaques are Sheryl Smith in the area of Accounting and Related I and Cindy Berger in the field of General Clerical I.

**Berger, Smith Will Go To State OEA Contest**

Two OEA students, Cindy Berger and Sheryl Smith, numbered in the area top six finalists on March 5-6 at the area OEA contest held at Lamar University in Beaumont.

The area contest consists of girls participating from several districts in Texas. There are five areas in the state of Texas. Area V, to which Rice High School belongs, is the most populated area. It consists of 30 counties.

By placing in the top six, both young ladies qualify for state competition to be held April 1-2 in Houston. Each received a plaque, naming their winning field. Sandy Brooker, Mary Ann Seifert and Phyllis Koresk were named alternates.

Their OEA instructor, Marjorie Crabb, accompanied them to the contest site.

**Student Council Wants Your Support Now**

(By Judy Fay Spates)

In the community of Eagle Lake, the Rice High School Student Council will sponsor a bake sale. It will consist of all homemade pastries. This bake sale will take place on March 20 at 9:00 a.m. in front of the Rice Drug Store. So come one, come all.

The Student Council will surely appreciate your support in patronizing this fund-raising project.

**Band Banquet To Be Held Tuesday**

(By Bob Morgan)

On April 23 and 24, the Raider Band will be in San Antonio for the annual spring festivities in that city.

The band will march in the battle of flowers parade on April 23 and will give a concert on April 24.

Band members will stay the night in the La Quinta motel in San Antonio.

In order to finance the trip, the band will try to raise around \$800. A bake sale is scheduled for April, and the band council and director are planning other fund-raising activities.

**Grants Offered To Graduates**

(By Daryl Dehler)

Seniors at Rice have been introduced to the federal and state grants being offered to college. These are to help the student to meet fees that will arise for his or her education.

Step Poland from W.C.C. was here at Rice to discuss some of the grants that will be open to graduates. There are many of these grants available to students entering any form of college after graduation. The senior class receives one of these such grants and each student was asked to fill this out and to apply for the grant. This system is set up by both state and federal governments to help students get the education they desire.

**Spring Begins On March 20**

(By Bob Morgan)

Spring will soon begin this year on March 20. The warm weather, the lengthening days, and the abundance of robins indicate that winter is fading and spring is approaching.

On the calendar, spring is defined as beginning with the spring equinox and ending with the summer solstice, in the Northern Hemisphere the two events fall on or about March 21 and June 22, and in the Southern Hemisphere they fall on or about September 23 and December 22.

Reaffirming, renewing play, hope, plus giving happiness renaissance
