Rice Farmers Face 'Feast to Famine'

Dr. Randall Stelly, marketing economist for the Texas Agricultural Experiment Station, said that U.S. rice stocks on August 1 could be five times the level of last summer—34 to 35 million hundredweights compared to only 7 million hundredweights. "The main reason for this drastic increase is a 14 per cent increase in production from 1974 to 1975 coupled with almost a 16 per cent decrease in exports due to strong foreign competition."

As far as the current crop year is concerned, rice production both in the U.S. and in the world is expected to be high again, bringing further pressure on the already glutted market. "The starting fact is that about 45 per cent of last year's U.S. rice crop has still not moved into market channels," emphasizes Stelly. "And in three months the new rice crop will start coming in. Unless some rice currently in storage is moved, a real bottleneck will exist to say the least. Marketing activity is almost nonexistent at this time, even exports under Public Law 480 (food aid) are moving slowly."

Current rough rice prices are about a third less than they were a year ago, according to the Texas A&M University System economist. David Perry, Darrell Gertson, and Ralph Bebler, at the Ralph Gertson camp on the Colorado River on the evening of Saturday, April 10th. Parents of the honorees, Mr. and Mrs. Steve Perry, Mr. and Mrs. Ralph Gertson and Mr. and Mrs. Wayne Bebler, were hosts for the event. Members of the senior class and some invited guests were on hand for the hospitality.

A delicious barbecue supper was enjoyed with cold drinks. Following the supper, the guests participated in a Bicentennial scavenger hunt that proved to be very entertaining and humorous. Teams of red, white and blue colors were made up for the hunt. Daring to give hot music competition, evening's entertainment.

The couple exchanged vows at 2:30 in the afternoon of Saturday, April 3rd. The bridegroom is the grandson of Mrs. O. E. Burris of Eagle Lake. Mr. and Mrs. Bud Burris are former residents of this community.

A pretty floral arrangement with red, white and blue flowers, topped by an American flag, centered the service table and the red, white and blue baccarat color were used in all manner of ways. The hosts extend thanks to Frank Bowen and Louis MacEachron who assisted in the planning and to Delores Austin for use of the juke box.

Prizes for the seven-ger hunt included fireworks for the winners and the fireworks candy was used for booty prizes.
