Raiders Review

The RAIDERS REVIEW is published by the Journalism classes of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless so stated.

"Oh, Robert, we're just like Romeo and Juliet. My family hates you."
—From The Reporter

Grade Average Has Been Raised
(By Debra Newsum)
Many people have been wondering why the grade average required to make the honor roll has been raised. This average has been increased from 3.4 to 3.7. This change was made in order to standardize the method of figuring the honor roll with the method used in figuring class rank, and choosing honor graduates, salutatorian and valedictorian.

Also, this change is an attempt to lend more prestige to being on the honor roll. Last year about 20% of Rice High School students made the honor roll.

23 Girls Have Received Kits

(By Judy Spates)
October 13 was the big day for the OEA girls, for that is the day they had been waiting for a long time. And what is so fantastic about this day is their kits arrived.

Yes, the OEA girls will be traveling for two weeks from door to door in the communities and hall to hall at school to get a sale from any individual who would like to patronize them. After the two week period, which extends from October 13-27, is up, they are asking all customers who have purchased different goods to wait until November 24 at the latest for the goods to

TO THE VOTERS OF COLORADO COUNTY:

I want to be your county attorney. If elected, I pledge to work closely with our law enforcement officers to see that our laws are fairly and effectively enforced.

Those of you who know me know that I have the experience and dedication necessary to handle the job. For those of you who I have not yet met, please consider my qualifications, as follows:

1. Graduated in top 20% of class from University of Texas Law School.
2. Licensed attorney for over 7 years.
3. Legal officer in the Navy for 3 years.
4. Have resided in Colorado County for over 3 years, during which time I have been a partner in the law firm of Stuart & Bandy in Eagle Lake, and have worked closely with other lawyers and law enforcement officers in the county.
5. Active in civic and church affairs.
6. President of Colorado County Bar Association.

Make your vote count; vote for experience.

VOTE FOR

DONALD N. BENDY

Your Democratic Party candidate for
COUNTY ATTORNEY
of Colorado County on November 2, 1976.

(Pol. advt. paid by Donald N. Bendy, 138 N. McCarty, Eagle Lake, Texas 77424)

Seniors Elect President in Government

(By Mark Hoover)
Rice High School's seniors attending government classes had an election to find out who the majority of the class wanted for President, Gerald Ford or Jimmy Carter.

First period government class had 10 votes for Ford and 18 for Carter while second period had 3 for the President and 12 votes for Carter. Third period had 14 for Ford and only 2 votes for the Governor from Plains, Georgia. Fourth period government class came out with 12 votes for Ford and 18 for Carter while sixth period had 15 votes for Ford and Carter had 12.

In the end Carter led by eight votes, 62 to 54. Later, before the real election begins on November 2, the government classes will take another poll of the senior students to see if anyone might change his mind.

Are You A Junk Food Junkie?

(By Judy Spates)
According to Department of Agriculture studies, the worst diets of America today are those of teenagers, says Dr. E. Cherkas, chairman of the department of Oral Medicine at the University of Alabama.

"Teenage girls have the very worst diets of all. Too many teens of both sexes have diets heavy on junk foods, and girls combine this, often, with attempts to diet—often fad diets which means they eliminate whole categories of foods."

With this information in mind, Homecoming 1 students under the supervision of Dorothy White have started on a new project in food and nutrition. Mrs. White has had her students survey student knowledge about basic nutrition and student opinion of the food served in the school cafeteria.

SC Has Started A New Project

(By Judy Spates)
Monday, October 11, the Rice High School's Student Council had another meeting. In this meeting the council decided on a new project to bring spirit throughout each club. And the way to do this is to have a contest which pertains to spirit. Each club is entitled to compete in this contest, which consists of a float. This float must be made out of a little red wagon. Some of the rules for this contest are that the club can spend no more than ten dollars on the float, the president or one of the members must pull the float through the pep rally for the homecoming game and also at the homecoming game, and the float must show the name of the club and also show spirit.

The judging will be done before the pep rally and announced at the pep rally. First place is \$10, second place is \$7.50, and third place is \$5.

Present Mini Course English Club Meets, Elects Hagendorf

Pictured left to right are Mrs. Barbara Mackey, Coordinator of the mini course, and Attorney MacLinn Johnson who participated in the particular unit on the Art of Dying, giving a session on wills and the probating of such.

(By Debra Newsum)
Rice High School's English Club this year has a total membership of 58. This is a more than 100% increase over last year's membership of 15.

October 13 and 14 the club had election of officers. They are as follows: Leland Hagendorf, president; Sharon Hoffman, vice-president; and Debra Newsum, reporter. There will be a run-off between Cheryl Crabb and Barbara Baker for the office of secretary-treasurer. Sponsor for the English Club is Mrs. Iris Dankle.

NHS Goes To Fall Convention

(By Judy Spates)
On October 12, 1976, the National Honor Society left the Rice campus around 11:30 a.m. to attend the Gulf Coast Association of National Honor Societies Convention in Needville, Texas.

At the convention the members were given a message on Leadership, Communication and Scholarship. The speaker for the event was Tom Moore of Houston. There was also a time set aside for entertainment which was presented by the Madrigal Singers from WJCC under the direction of Tom Phillips.

Only five members attended this convention and they were Brenda Kallina, Crystal Jones, Judy Spates, Julia Thomas and Cynthia Tschesson and their sponsor, Andrew Schaefer.

Go And Take A Look Around

(By Debra Newsum)
Southwest Texas State University, located in San Marcos, held their annual College Day on October 16th. To attend students had to mail in a reservation card no later than October 11th saying they were coming.

A lot of universities and colleges have college days. It is to the advantage of all to go and see what the campuses are like and what the place has to offer.

Senior Students Receive Pictures

(By Debra Newsum)
On Friday, October 8th, members of the senior class received the proofs of their senior pictures. Several photos were given to the students for them to decide which ones they would like to order.

Orders for senior pictures were taken on October 14th in the government classes.

Newspaper Has Bone To Pick With Reporters

(By Mark Hoover)
The Raider Review staff has a bone to pick with someone. It's not someone in particular, but a group of people who have not been doing the job that they were elected for: the reporters.

Reporters are people who are elected to attend certain club meetings and if something important or newsworthy crops up, they are to take notes, get names, and then bring the information to the Raider Review staff so it will later be published in the Raider Review.

Very few, if any, of the reporters elected do their job, and they cannot make us believe that at these meetings something doesn't come up that is not important enough for the student body and the communities to know about.

The presidents of the various clubs which are connected with Rice High School should crack down on these reporters and make them do their job. Anyway, that's what they were elected for and they should at least try to make an effort to inform the Raider Review of any information that is newsworthy. Get busy, reporters, for your school and your community!

Sophomores 'Air' Their Spirit

(By Barbara Baker)
For the past few weeks, members of the sophomore class have showed their spirit by carrying around balloons on Fridays. We have no proof that this boosted student spirit, but the hot air of a few distracted teachers was felt by all.

We intend that the Homecoming 1 class survey and efforts will soon be a part of the overall food service program. Along with a nutrition education campaign, students and teachers of Rice High School will enjoy a wider selection of foods at the snack bar.
