Pool Cue Used in Attack

Two white males in a blue Oldsmobile were being sought Tuesday night, Oct. 12th in connection with a fight at the Western Club at Altair in which J. D. Henry was hit on the head with a pool cue, hard enough that he went to the hospital in an ambulance.

A couple of witnesses told an investigating officer that the blow seemed to be unprovoked, that Henry was standing at the jukebox when one of the men, after ordering a beer, just picked up the pool stick and cracked him.

FARM WEATHER OUTLOOK THROUGH SATURDAY: A cold front sweeping southeastward across the Rice Belt today will trigger a chance of local showers and thunderstorms. Rainfall amounts are expected to be around 1/2 inch or less.

Colder temperatures are expected tonight with generally cool weather continuing into the weekend. Fair skies are expected Wednesday with partly cloudy skies Thursday through Saturday. There is a chance of showers again on Friday. Winds will become moderate to strong northerly this afternoon diminishing somewhat tonight.

NO RAINFALL: No rainfall has occurred in the Texas Rice Belt during the past 48 hours. High temperatures on Monday were generally in the 60's and low 70's. Lows this morning ranged from the upper 40's in the extreme north-eastern part of the Rice Belt to the 50's and low 60's elsewhere.

FARM MANAGEMENT: Harvest and fall planting activities may be hampered by occasional rainfall this afternoon. No lengthy delays are expected. Any excess soil moisture should be rapidly removed by good drying conditions Wednesday and good progress should be possible Wednesday and Thursday.

SHOWERS: Showers may hamper operations again on Friday. Moderate to strong northerly winds will make conditions unpleasant for field crews this afternoon.

Rice Classroom Teachers Assn. Adopts Public Relations Program

The Rice Classroom Teachers Association honored their new members, the school administrators and families with an ice cream social Monday, Sept. 27 at Diller Hall.

The group was welcomed by President Bill Carpenter, Rice High School, counselor. He announced that the membership drive resulted in an 82 person membership for the 1976-77 school year. The members voted to establish a RCTA Scholarship to be awarded to a Rice High School senior. The teachers' group also adopted a new Public Relations Program that will be available to any civic group or community organization that needs a program concerning education. Teachers will be available to speak on their respective subjects or topics with which they are familiar. The association hopes this will help citizens become better acquainted with the programs, procedures, personnel and education in the Rice Consolidated School District.

Lynda Appelt, President-Elect, Eagle Lake Primary School, introduced the game of "Bunko" to the group.
