Nov. 11th, Traditional Veterans Day (Armistice Day) - Our National Emblem, a beautiful flag combining the blue of vigilance, perseverance and justice, with the white of purity, and the red of hardiness and valor, a symbol of freedom that has lifted the hearts of Americans down through the years, and in honor of those living and dead who served so valiantly in the military do we honor this day, and proudly fly our flag.

Nov. 25th, Thanksgiving Day (Fourth Thursday) - The first Thanksgiving originated in New England after the first harvest of the Colonists in 1621. Provisions were made for a day of thanksgiving and prayer. During the Revolution a day of national thanksgiving was annually recommended by Congress. In 1817 New York made it an annual custom, and it spread to many of the States by the middle of the 19th century. In 1864 President Lincoln appointed a day of thanksgiving, and since then the Presidents have issued a Thanksgiving proclamation generally designating the last Thursday of November. May we lift our Gods to God in praise and gratitude for the blessings, both spiritual and material in particular on this day. Share your blessings with someone.

Many will have the traditional family dinner, some will sing songs of praise and celebrate in various other ways. When we have our families around not have a period of sharing some of the beautiful prose, poetry and songs we have enjoyed down through the years, such as "The Star Spangled Banner", "The American Flag", "America the Beautiful", "America", "The Mayflower", "The Landing of the Pilgrim Fathers", "The Coming of Columbus", "The Gem of the Ocean", and "Flanders Field" and many others.
