The RAIDERS REVIEW is published by the Journalism classes of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless so stated.

Who's Zat?
(By Judy Spates)
Do you recognize this happy face?
Quite a few people did, but first let me tell you of some of the people who didn't recognize it. First of all, there were three people that said it was Linda Morton. Yes, the moment has come to reveal the real name that belongs to the face shown above. It was a big coincidence, because five people guessed right and they are Frances Banks, Lorene Sewell, Joseph Wendel, Mrs. Henrietta Baumgarten and Mrs. Marjorie Crab. And do you know who they said it was? They said it was Debra Cooper.

Srs. Informed About GI Bill
(By Barbara Baker)
Seniors were informed Tuesday of the coming change in the G.I. Bill which will become effective at the beginning of the new year. The new bill will resemble the old bill with the exception of profit sharing plans such as those in some major corporations.

TEXAS ranked first in the nation in grain sorghum production during 1975, harvesting 374,400,000 bushels, according to Agriculture Commissioner John C. White.
