THANKSGIVING 2 YR OLD ALLOWANCE FINALS SALLISAW OKLA. 1976

Bob Haley of Garwood, at right, and trainer Jack Dube hold a championship banner after Miss Prissy Moon, owned by Haley, won the Blue Ribbon Downs Thanksgiving 2 Year Old Allowance Finals in Sallisaw, Oklahoma, last week.

Raley's "Miss Prissy Moon" Is Top Winner In Oklahoma Races

Miss Prissy Moon two year old filly quarterhorse owned by Bob Haley of Garwood, was the first place winner in the Thanksgiving two year old Allowance Finals at the Blue Ribbon Downs in Sallisaw, Oklahoma, last week.

The filly won the Thanksgiving Futurity and a share of the \$25,000 purse and also the Santa Claus Futurity with a purse of \$18,000.00.

She ran against the top horses in Oklahoma, Arkansas, and Texas. To reach the finals of the futurities, she had to outrun a total of 170 horses.

Miss Prissy Moon was raised by Mr. Haley at his Rio Dobles Ranch near Garwood and is the colt of Prissy Beth Jones given to Mr. Haley by his father. In addition to the mares and colts, Haley stands two stallions, Roulade and Three Adams who are stakes winners and stakes producers.

For the championship race at Blue Ribbon Downs, she was ridden by Mike Charles. Jack Dube is trainer of the champion filly.

The Raleys are looking forward to more outstanding races from Miss Prissy Moon as she continues to compete with top quarterhorses in this part of the United States.

In V.A. Hospital

Raymond Hurd of this city was admitted to the V.A. Hospital in Houston on Dec. 13th and will undergo surgery on Dec. 22nd. He is on the second floor, ward 206. He is doing all right and has met some of the folks from home who are patients in the hospital. Thomas Gilmore, ward 115; Tony Coleman, ward 104; and Jodie Rhodes, ward 103. They all seem to be doing nicely. Recently some of the Hurd's friends stopped for a short visit with Mr. Hurd and he was happy to see them.

Merry Christmas

May all the joys of this great season be yours.

Highway Dept. Completes Garwood Drainage Project

The enlargement of three drainage structures in the Garwood-Vox Populi area under contract let by the State Department of Highways and Public Transportation has been completed it was announced last week.

District Engineer Carl V. Ramert accepted the project from the contractor, Texas Road Boring Company of Louisiana-Mississippi. The project cost \$61,272.50.

The reconditioning of drainage structures on St. 71 located between FM 333 South of Garwood and 3.5 miles Northwest of Garwood was part of the State's portion of a cooperative effort with Colorado County to improve drainage in this area. The cleaning of outfall channels is to be done by the county as their share of the work.

State Maintenance Forces have begun the lowering of side road structures and cleaning the ditches within the right-of-way of State 71. Inadequate private entrance structures will also be replaced to facilitate flow to the larger structures and improved outfall channels.
