## Turtles Bring Changes To Life

(By Debra Newsom)  
The following poem was composed by an anonymous member of the senior class at Rice.  
The life of a turtle was meant to be a thrill.  
On a very warm spring day  
Were they very proud to say  
'I do' in the special month of May.  
This made them both happy  
And filled them with joy,  
'Till the day that they received a baby boy.  
This made their lives real true  
And better than ever.  
Nothing now could ruin their lives,  
Never.

## Shorthand Class Develops New Recipe Book

(By Judy Spates)  
Each girl received a copy and presented a copy to staff members at the high school and the Administration Building who can read shorthand.  
The cover of the recipe book was designed by Connie Crover and colored by Diane Bennett and Paula Swearingin. It had a Christmas tree made of shorthand characters.  
Some of the recipes included were Jiffy Chocolate Pie, Chocolate Haystacks, Pecan Fingers, Dump Salad, Meat Stuffed Peppers, No-Cook Strawberry Pie, Popcorn Beef Rolls, Gingerbread, Mexican Cornbread, Christmas Dinner Rolls, Fresh Apple Cake and Fruited Meat Roll.  
The class commented that this was a great experience, because they were for the first time making a recipe book and also at the same time learning more about shorthand. The class members are Diane Bennett, Odessa Bluntson, Connie Crowe, Merry Hill, Cindy Kingsley, Jeri Lloyd, Walter-Love, Dianne Morales, Tina Moreno, Patti New, Betty Powell, Berta Ramirez, Paula Swearingin and Vivian Yanez. Mrs. Grace Cooper is the instructor.

## Band Prepares For Contest

Feb. 5th

(By Debra Newsom)  
Raider Band members are preparing for another contest. Ninety band students will participate in solo-ensemble contest which is to be held in Brasport on February 5th. Of these ninety band members, 18 will perform solos and 24 various ensembles will perform.

The hand has done very well in the past at this contest and is expected to do even better this year. Any group or individual playing anything and receiving a division one at the contest will receive a medal which may be proudly worn on their uniform. Also, any ensemble or solo that is class I music and receives a division one rating is eligible to go to the state contest that will be held later this year. It is hoped that many Raider Band members will get this opportunity.

## Going Back To School Is Rough

(By Mark Hoover)  
What does it feel like coming back to school after the long holidays? It can be summed up into one word: Rugged.  
It's rough when you become used to lying in a warm bed and not having to get up until school starts again and then you have to possibly get up many hours earlier than you would like. How can you "rise and shine" on the first day of school? It's not easy.

## English Class Has Visitor

(By Mark Hoover)  
Mrs. Lillian Gohlke's English IV class had Rice High School's major, Judy Lambeth, answer questions which were presented by the class.  
The reason Mrs. Gohlke invited Mrs. Lambeth to the class was because the English class had just finished reading "Brave New World" written by Aldous Huxley, and had bombarded Mrs. Gohlke with questions on certain subject matter dealt with in the book. Mrs. Gohlke realized she was not qualified to answer the many questions on test tube babies and medicine in the future, so she invited Mrs. Lambeth for a question and answer period.
