Raider Review

Editor: JUDY SPATES
Reporters: MARK HOOPER, BARBARA BAKER, DEBRA NEWSOM
Sponsor: JACK GRAMMER

The RAIDER REVIEW is published by the journalism classes of Rice High School, and the opinions reflected are of the students and not the administration, or the Eagle Lake Headlight, unless so stated.

Better Luck Next Year

(By Debra Newsom)

Another of those old traditions for New Year's is the making of resolutions. Many people promise earnestly and faithfully to try to better themselves for the new year. Well, Rice students and faculty members made their share of these resolutions and some were asked what they were.

Some of the students who told their resolutions were Barbara Baker, who has vowed faithfully not to let anyone push her around and Debra Cooper wants to undo all the dumb things she did last year. Brenda Argo wants to get smarter and Hubert Tombsen wants to make better grades. Nina Zbrank plans to control her temper and get along better with other people, while Terry Krenk just wants to keep up the good work.

In the course of the new year Peggy Leopold wants to make more friends and Alan Kravitz plans to make less enemies in typing and go to state in tennis. Tommy Haisque wants to be a good little boy and take Thompson's going to quit chewing tobacco. Denise Rucka and Mike Thompson have resolved to pass government. Meanwhile, Mark Hoover is going to try his very hardest to graduate.

Among the members of the faculty that made resolutions were Mrs. Rupper, who plans to control her temper and Coach Grammer, who wants to win the district basketball championship. Mr. Wendell jokingly says that his resolution is to stop wasting time in class and Mr. Schaefer says he plans to try and make his government tests hard for a change.

4 New Students Have Arrived

(By Judy Spates)

There were four new students that arrived at Rice in start off this new year.

Each of these students was from a different area. For instance, there is Stacy Mueller, who is in the tenth grade and is from Killeen, Texas. Also there is Tony McGord, who is in the ninth grade and is from Yorktown, Texas. And there were also Candy and Frankie Armojo, who are both in the ninth grade and are from Reserve, New Mexico. The student body would like to extend their welcome to all four of these new students.

Band Sells Tapes, Magazines

(By Debra Newsom)

Members of the Raider Band have begun selling tapes and magazines to raise money for an overnight trip they are planning on taking soon. Last year, the band went to the Battle of the Bands in San Antonio and stayed overnight. Everyone had a good time and it is hoped that the band can do something equally as exiting this year.

The magazines and tapes are being sold through Reader's Digest and 40% of the proceeds goes to the band fund. The goal of this year's band is to sell at least \$3000 worth of magazine renewals and subscriptions, along with the profits made from the tapes, cassettes and records sold. Last year the band totalled \$2700 in their sales.

If anyone would like to renew their magazine subscription or purchase a new one, or buy a tape, cassette or record, they may do so through the band if they wish. The sale will be going on till January 31st. Just contact any band member and they will be happy to take your subscription renewal or order. Your support for the band is really appreciated.

Junior Class Holds Meeting

(By Mark Hoover)

On January 14, 1977, after school Rice High School's junior class held its first class meeting for the year. It should be kept in mind that the juniors held a meeting a few weeks ago, but that was not a class meeting but a decorating meeting.

The junior class president is Jane Dostal. The members of the junior class present at the meeting decided on how the commons was going to be decorated for the prom. The Raider Review would like to apologize to the junior class for a story which appeared two weeks ago. We failed to check our facts and printed an article concerning a junior class meeting which was not in fact a meeting at all, but merely a rap session during class. Our article made it appear that some people including sponsors, should have been in attendance but were not. This was not the case and, again, we apologize.

Vietnam Police Action Is Over

(By Mark Hoover)

Four years ago, on January 27, 1973, the Vietnam war ended.

An agreement was signed in Paris on that date which ended the war which was supposed to merely be a police action. During this "police action" the United States of America lost 60,779 service personnel in combat deaths.

Students Sign Up For Classes

(By Mark Hoover)

Last week at Rice High School all of the underclassmen registered for classes which they will be taking for the 1977-78 school year.

The underclassmen have been going to their respective counselors, Guy Beane or Bill Casper. So next year the fish attending Rice now will be taking sophomora subjects, the sophomores will take junior subjects, the juniors will be dreaming about graduation day, the 1976-77 seniors dream will have already come true, and a brand new batch of freshmen will be appearing with bright, shining, eager faces. And the cycle will go on and on and on.

Cricket Is Good Weatherman

(By Mark Hoover)

Did you know that you can tell the temperature of the air about you by listening to a cricket chirp?

If you count the number of chirps a cricket makes in 14 seconds and add 40 to that number, you can deduce the correct temperature.

Scientists claim that with proven tests it is possible to get the correct temperature within one degree 75 percent of the time, and within two degrees 90 percent of the time.

Texas Trail Riders Begin S.A. Trip Feb. 5

Plans are being completed for the 1977 trail ride by the Texas Trail Riders Association to the San Antonio Livestock Show and Rodeo, announces Aubrey Williams, president of the association.

The riders will gather at the campgrounds 3 1/2 miles west of Kokonut Grove on FM 2434, west of Columbus and near Gladden, on Friday evening, Feb. 4th. The riders will ride on Saturday, Feb. 5th from the campgrounds to Oakland and will set up camp near the New Bielas Hall Saturday night.

Coach Grammer Wins 300th Game

(By Barbara Baker)

Coach Jack Grammer re-membership December 14 with mixed emotions. For on that

chirps a cricket makes in 14 seconds and add 40 to that number, you can deduce the correct temperature. Scientists claim that with proven tests it is possible to get the correct temperature within one degree 75 percent of the time, and within two degrees 90 percent of the time.

Ironically enough, it was during that same game that John Grammer, sophomore starter for the Raiders, broke his arm, an injury that put him out of action for a while. Yes, December 14 was an eventful day for Coach Grammer and the Raider boys beyond Rice High School is looking forward to many more victories by the Raider basketball team.

"The simpler your return, the less we charge."

Reason No. 2 why H&R Block should do your taxes.

Block didn't become America's largest income tax preparer by charging high prices. For example, if you qualify for the short form, we charge a very low price. Even if your return is more complicated, Block's fee is still very reasonable.
