Raider Review

Editor: JUDY SPATES
Reporters: BARBARA BAKER, DEBRA NEWSOM

The RAIDER REVIEW is published by the journalism classes of Rice High School, and the opinions reflected are of the students and not the administration or the Eagle Lake Headlight, unless so stated.

27 Students Make 4.0 Avg.

(By Debra Newsom)

To make the honor roll at Rice, a student must acquire at least a 3.7 grade point average. This is an achievement in itself. Therefore, if a student's grade point average is 4.0 or better, he is really doing well.

There are quite a few Rice students who made at least a 4.0 average. Members of the senior class who achieved this were Judy Ashby, Sherry Fajkus, Kathy Frenzel, Brenda Kallina, Patti Mathis, Linda Sommer and Anna Bohrer. Junior class members who received a 4.0 or better were Betty Lou Buehner, Kenneth Dankiels, Jane Dostal, Rocky Kristynik, Laura Bohrer, Clayton Smith and Emily Styles.

Moving on down the line, the sophomores who made it were Cheryl Grabb, Jeanne Gold, Joyce Kornek, Mary Ann Schoellmann, Bruno Shmek, Madison Smith, Roberta Tomchesson and Janet Wied. Freshmen receiving this honor were Thomas Kallina, Lori Mahalir, Lana Mahalir, Carolyn Pavlu and Arnold Rodriguez.

From the sophomore class there were also twelve students who made the honor roll. They were Theresa Hawk, Cheryl Grabb, Barbara Frenzel, Jeanne Gold, Patti Mathis, Joyce Kornek, Stephanie Schneider, Mary Ann Schoellmann, Bruno Shmek, Madison Smith, Roberta Tomchesson and Janet Wied.

From the junior class there were sixteen. They were Robert Abel, Debra Balawek, Betty Lou Buehner, Sherry Fajkus, Kathy Frenzel, Brenda Kallina, Patti Mathis, Gerald Popp, Jerry Smith, Linda Sommer, Penny Stymanski, Cynthia Tomchesson, Walter Hurd and Anna Bohrer.

Also from the junior class there were sixteen. They were Robert Abel, Debra Balawek, Betty Lou Buehner, Sherry Fajkus, Kathy Frenzel, Brenda Kallina, Patti Mathis, Gerald Popp, Jerry Smith, Linda Sommer, Penny Stymanski, Cynthia Tomchesson, Walter Hurd and Anna Bohrer.

Mabel's Fables

PROOF OF VALUE

"We'll have to find a new home," moaned Kitty Kat. "I heard the family is moving to an apartment building and pets are a definite no-no."

"Too bad," purred Kate Kat. "I'll miss them, but you're right. We'll have to find a new home. You go up Main Street and see if you can convince somebody to accept us. I'll go down Main Street and do the same."

So after a hearty breakfast, Kitty set out to find a new home. She went from house to house and even to a dozen stores along the way. But nobody wanted two cats in need of a home.

Kitty returned sad and tired and found Kate asleep on the mat. "Get up, you lazy idiot," she scolded. "You were supposed to find us a new home."

"So I did," replied Kate. "The first place I went to was to live there as soon as possible."

"I don't understand," said Kitty. "I tried everything in the books. Even begging. But everybody turned us down."

"You don't beg when you want something," Kate purred as she stretched. "When you want something, you first prove how you can be of value."

"How did you do that?"

"I just caught two big mice and dragged them to the owner of the place. Then, I asked for a home. We move tomorrow."

The most valuable of all education is the ability to make yourself do the thing you have to do when it has to be done, whether you like it or not.

Students Should Return Books

(By Mark Hoover)

Rice High School's library will have a one-day sale of books with overdue books, and students who have turned in their books, but have neglected to pay their fines. Students must pay these fines or they receive no report card after the six week period. It is not that much of an effort to turn in a library book. So turn your books in, if you don't, you will have just that much less money.

February 6-12 Is OEA Week

(By Judy Spates)

Vocational business and office education students at Rice will join Office Education Association members from throughout the nation in activities to make the community aware of the importance of vocational student organizations during OEA Week, February 6-12, 1977. OEA Week is being observed concurrently with Vocational Educational Week.

The purpose of this celebration is to inform the public of the meaning and objectives of OEA. By doing this, the community will be aware of the important part that OEA plays in the local school and community.

Many of the activities planned by the Rice OEA Chapter revolve around this year's national theme: "OEA, Building the Skills of America." The Office Education Association, with a membership of more than 65,000 students, is designed to develop leadership abilities in the American business world, and competency in office occupations. Through its professional, financial, civic, service and social activities and projects, OEA is developing leaders of tomorrow, today.

First period it was presented to the freshmen and sophomores, and third period it was presented to the juniors and seniors. The guests were introduced by Gretchen Gold, the senior chapter president in FHA. They were Mrs. Judy Ryehlik, who is a volunteer worker for the March of Dimes, from the state board, and David Haynes, who is a Field Representative.

First there was a skit performed by Patricia Eggenmeyer and Regina Humphill based on how to prevent birth defects. Then there were two films shown, "Tomorrow Happens Today" and "Inside My Mom." These two films were presented by the two guests. After the films were given a quiz orally by Mrs. Ryehlik. During this quiz Mrs. Ryehlik told the students that their goal was to prevent birth defects.

After this lecture, he had a question and answer session where the students could ask questions.

Keep up with all activities of the Rice School District by reading the Headlight.
