president Bobby Hunt, will be in charge of the sale of the animals including 47 calves and 42 hogs. Also there will be breeding stock on exhibition during the day.

The Eagle Lake Chamber of Commerce will contribute trophies which will be distributed to the winners in both hog and calf divisions. The FFA members and officers have reconstructed the temporary calf pens in back of the show barn and have built permanent pens and the Junior FFA class has constructed a temporary building for the breeding animal.

Another new addition to the 1977 show is the resale of calves and hogs which will take place before the actual sale starts so that the buyers will know how much extra they will be giving the students when they buy their hog or calf.

Citizens throughout the area are invited to make plans to attend any or all of the 1977 show activities and to support the Rice Future Farmers of America in their projects. See you at the Rice FFA Show and Sale at the Rice High School Show Barn on Sat., Feb. 12th.

Grass Fires

(Continued from page one)

Grass and brush fire on the east side of the Sheridan Building, Garwood firemen and another Eagle Lake unit were on a standby basis if needed.

on \$1.00 per running foot or a total of \$2000 for the right of way. Anderson has refused to accept this and sent a letter to the council listing five conditions which he wants met before relinquishing the right of way. He asks that the large sign near the intersection be moved to a new location, remove two existing drainage pipes on Highway 90A, the city be responsible for moving all utilities, and that all entrance be left in as good or better condition as they are now; and finally that he be awarded \$3,665.54 in damages for loss of the property.

This is the only portion of right of way needed to get the project up and running and that all entrance agreements can be reached so that the project may be let to bidders for completion during the summer.

Further discussion of the matter is to come before the council at the next meeting Feb. 16th.

Immunization Clinic In New Location Feb. 11

Beginning in February, the Free Immunization Clinic sponsored by the Texas State Department of Health will have a new location. The clinic will be held the second Friday of each month from 8:00 a.m. to 1:00 p.m. at the Mission Center, the former Colly Memorial United Methodist Church, 400 W. Prairie St. in Eagle Lake.

The date for the clinic this month is Friday, Feb. 11. Immunization for Diphtheria, Pertussis (DTP), Polio, and Measles, Mumps, and Rubella, will be given to infants, pre-schoolers, and school age children. Tetanus, Diphtheria, and Polio will be given to adults.

Personal immunization records, showing dates and kinds of immunization received are given so that parents will have the immunization record of each child. For those who have been to the clinic before, we ask that they bring any records they have with them. Parents of children who come to the clinic for the first time are also asked to bring any records of previous immunizations received at other clinics or from a private physician.

The parent or legal guardian of each child must accompany them to the clinic. This is a requirement we must follow in order to administer Polio vaccine to the child. Each parent is asked to read a consent form and if there are no questions they will sign the form and the vaccine will be given.

Any questions on immunizations can be answered at the clinic.

Miss Sandra Swachner, R.N. from the Texas Department of Health Resources, will give the immunization, assisted by Miss Shirley Cook, Immunization Service Aide, from Walter County.
