# Raider Review

Editor: JUDY SPATES  
Reporters: MARK HOOVER, BARBARA BAKER, DEBRA NEWSON  
Sponsor: JACK GRAMMER

The RAIDER REVIEW is published by the journalism classes of Elva High School, and the opinions reflected are of the students and not the administration of the Eagle Lake Headlight, unless so stated.

### \*The American Way\*

OUR BIT OF EARTH  
our fathers brought forth a new nation, conceived in liberty and dedicated to the proposition that all men are created equal. Now we are testing whether any nation so conceived and so dedicated can long endure.

With such words at Gettysburg did Abraham Lincoln voice the problems of our nation divided by war. No longer divided by war that nation still faces the ancient problem: Can a nation conceived in liberty long endure?

History provides few examples of democratic societies that lasted. On the other hand, history reveals many societies that remained long and strong under kings and emperors and dictators.

Most Americans learn with the two hundred-year gift of liberty except that gift with little regard to the possibilities of losing it by force or by accident. Yet that loss is possible for liberty is not a concrete statue requiring little care. Rather, it is a beautiful yet fragile flower requiring constant attention if it is expected to grow and bloom and reproduce again stronger than before.

Only constant care, love and mine can insure that the government of the people by the people for the people shall not perish from the earth. Our bit of earth in America, we are responsible for it.

### Girls Practice Was In Palacios Mon.

(By Judy Spates)  
On Monday, February 7, the varsity girls had a warm up game in Palacios. This game was a practice game. The girls have been working out very hard to win the district game and would like to thank the public for its support. Also, the team members would like to give thanks to their coach, Reuben Wunderlich, and his assistant, Mrs. Frances Mayer.

### OE A Members Are Really Doing Their "Thang"

(By Judy Spates)  
On Tuesday and Wednesday, February 8 and 9, the OEA Members Office Education students traveled to the different communities to introduce systems of monitoring the equipment and jobs they have learned throughout the year.

On Tuesday the morning classes visited Garwood and the afternoon classes visited Nada. The following day the morning classes went to Sheridan and the afternoon classes were scheduled to go to Eagle Lake. Through their visits the students will be informed about the use of the practice set by Chris Lane and Linda Martin; the filing systems by Monica Hoffman and Debra Cooper; electric calculator, Penny Seymour and Gloria Brooker; 10-key, Diane Sosa and Denise Harker; full key, Jerry Lloyd and Cynthia Tomchen; IBM transcriber, Peggy Austin and Brenda Koresok; shorthand, Patti New and Debbie Mosley; Scientific II, Glenda Papp and Tina Moreno; payroll, Darlene Sewell and Judy Spates; and duplication by Dianne Lopez and Eliza Keeter. # RHS Seniors Are Ready To Graduate

(By Mark Hoover)  
Every month, every week, every day, every hour, every minute, every second they pass, we seniors are just that much closer to grabbing that sheep skin in our greedy fingers.

Cries of "let's graduate, now!" and "I ain't coming back!" break out in the halls and the cafeteria every once in a while. Although, of course, we will have to wait until that fateful day, and some of us will return to visit the old alma mater because you just can't break some ties, no matter how hard you may try.

It has been twelve long years. Our number is up next to graduate. Let's make the best of these few remaining months while we can.

### Ground Hog Day Is Traditional

(By Mark Hoover)  
Groundhog or Ground Hog Day as it is more popularly known is a day which one can forecast the weather for the next six weeks.

This tradition came into America along with the English and German immigrants. The theory is that if the groundhog or woodchuck sees his shadow, there will be six more weeks of winter, but if the day is cloudy and he does not see his shadow, the winter weather will give way to spring.
