TUESDAY, FEBRUARY 22, 1977 9:30 A.M.
AGRICULTURAL WEATHER OUTLOOK THRU SATURDAY: Partly cloudy to cloudy skies through Wednesday with a chance of scattered showers and light rain. High temperatures in the low 70s. Low temperatures in the low 40s. On Thursday and Friday, high temperatures in the low 70s. Low temperatures in the low 40s. On Saturday, high temperatures in the low 70s. Low temperatures in the low 40s. On Sunday, high temperatures in the low 70s. Low temperatures in the low 40s.

PAST WEATHER: High temperatures on Monday were mostly in the low 70s. Low temperatures in the low 40s. On Tuesday, high temperatures in the low 70s. Low temperatures in the low 40s. On Wednesday, high temperatures in the low 70s. Low temperatures in the low 40s. On Thursday, high temperatures in the low 70s. Low temperatures in the low 40s. On Friday, high temperatures in the low 70s. Low temperatures in the low 40s. On Saturday, high temperatures in the low 70s. Low temperatures in the low 40s. On Sunday, high temperatures in the low 70s. Low temperatures in the low 40s.

FIELD MANAGEMENT: Good progress in land preparation is possible this afternoon but delays caused by rain are likely on Wednesday. Small grains and pastures will show only limited growth this week due to cloudiness through Wednesday and cooler temperatures on Thursday.

OUTDOOR BURNING GUIDE: The Texas Forest Service Outdoor Burning Guide for grassy type fuels indicates that the fire danger is extreme. Do not set non-permit outdoor fires under any circumstances.

SOIL TEMPERATURES: Average soil temperatures at the 4-inch depth are in the upper 50s across the rice belt. Some cooling is likely through about Thursday with warming again likely into the weekend. These soil temperatures are generally considered to be acceptable for planting corn but are still too cool for planting sorghum.

Fishermen, Farmers to Pay Tax by Mar. 1
Farmers and fishermen may have to file their Federal income tax return and pay tax due by March 1 to avoid a penalty, according to the IRS.

Lions Mop, Broom Sale Thurs., Mar. 10
Eagle Lake Noon Lions Club has started plans for the annual Mop and Broom sale to be held here Thurs., Mar. 10th.

Private Pesticide Applicators Course In East B. This Wed.

East Bernard area farmers, cattlemen, housewives, tenants and students (anyone using pesticides) will have an opportunity to complete a training program leading to certification as private applicators at a program scheduled this Wednesday, Feb. 23 at 7:00 p.m. at the American Legion Hall in East Bernard, according to Henry Smith, County Extension Agent.

The Private Applicator Certification Training Program, one of the optional means of qualifying for certification as private applicator of restricted-use pesticides, includes a discussion of laws, labels and labeling, pesticide safety, mixing and calibration and pests and pest damage identification. The program is presented by the Texas Agricultural Extension Service and includes a review of certain questions relating to the information presented.

The program will require approximately three hours. Those attending and seeking certification as private applicators will receive a certificate to complete a Request for Private Applicator Certification which will be forwarded to the Texas Department of Agriculture (TDA) for issuance of certification.

The program is open to everyone interested, and there is no charge to get certified. Pesticide use on certain pesticides will have to be certified after October 27, 1977.

Two fast moving shorted versions of dramatic plays will appear on the stage of the Wharton County Junior College in Wharton Wednesday, Feb. 23 through Friday, Feb. 25 at 7:30 p.m.

"The Crucible" is described by drama instructor Jerry Long as "A powerful, searching play that purports to be about the 17th Century Salem witchcraft trials but was written during the Senator Joe McCarthy Communist scare."

Sharing the billing for the two-hour theatrical evening is "To Be Young, Gifted, and Black," based on the life of Lorraine Hansberry, a celebrated playwright who wrote "Raisin In The Sun." It is an ensemble production with eleven actors playing many different roles.

Admission at the door is \$1 for students and \$1.50 for adults. One of the plays will be chosen to represent Wharton County Junior College at the State One-Act Play Festival March 3-5 in Athens.

Also, Eagle Lake: Brian Craig Mitchell; Loudon James Reel; Garwood: Laurette Marie Kasmier; Sharon Marie Zbarnek; Cynthia Jane Berger; Phyllis Jean Kerek; Anthony Paul Leopold; Wallis Karen Loh; Holuh Mary C. Manukiewicz; Sid W. McArthur; Jane Veronika Palack; Luis Ann Wilczky; Weimar: Diane Marie Barish; Gary Wayne Cernoch; Janell J. Cernoch; Janet Faye Zanecka; Joni Lorraine Kiesel; Janice Ruth Lehardt; David Charles Targue; Cynthia Ann Work.

Automatic GAS Heating
the most comfortable winter warmth anyone can have

AND!

It's completely reliable. Hardly ever needs service... doesn't let you down at the times you need it most.

It's so inexpensive to use that you can keep your entire home at a uniform, healthful temperature. No need for little-used rooms to stay cold to avoid sky-high operating costs.

It's so clean and safe, you can be sure and secure. America's most famous museums rely on gas heating to protect their priceless art treasures. The leading manufacturers of precision instruments, such as computers and space flight controls, trust their assembly of the most delicate components to the cleanliness of gas heat. And gas heats the greenhouses of the nation's largest commercial flower-growers.

When in need of a new heating system, you can put your full confidence in GAS. That's why just about everyone who knows the difference, uses it.

Kohleffel And First Shipment Of Pipe From Overseas

Louis Kohleffel, center, owner of Eagle Lake Pipe Company, is shown with his first trainload of over 1000 pipe from Belgium. Shipment in 1972 through 1973.

Kohleffel's Pipe Company Still Going Strong After 48 Years

Forty-eight years after Louis Kohleffel, despite a lack of a formal education, decided that some day he would have a prosperous pipe business in Eagle Lake and it didn't take long to accomplish that feat and this year Mr. Kohleffel is celebrating his 48th year in this successful business.

He considers that due to the lack of a formal education he had to do some things the hard way, but there is no substitute for initiative, ingenuity and hard work. He also remembers that it used to take several days to make a truckload of pipe, ships at the Houston ship canal and now it is only a matter of hours with his machinery.

Although Kohleffel is not quite as active as he was a few years ago, he still handles a lot of iron and steel much of it in large contracts and he has always prided himself on the fact that there is nothing too big for him to handle. And usually the undertaking is a success.

The next regular meeting will be held March 16th with Mrs. Mary Walker with Mrs. Ann Goodwin as hostess. It will be a handshake party.

Hope For Cattlemen
Although the outlook isn't all that bright, 1977 does offer a ray of hope for cattlemen, points out a livestock marketing specialist with the Texas Agricultural Extension Service. Fed cattle marketings should decline some early in the year although there should be some increase in the second quarter. However, cattle slaughter should remain low for the next six months, keeping beef supplies down. This should boost fed cattle prices, some and could stimulate an increase in feedlot placements. Feeder cattle prices should also improve as the fed cattle outlook brightens.

Bob Waddells Are Parents Of Baby Girl

Mr. and Mrs. Bob Waddell of Eagle Lake are pleased to announce the birth of their first child, a baby girl. The little lady made her arrival on Friday, February 18th at 1:20 a.m. in the Caney Valley Hospital in Wharton. At birth, she weighed seven pounds and measured nineteen inches in length. She has been named Rebecca Lynn Waddell.

Welcoming the new addition to the family are grandparents Mr. and Mrs. Donald Olenhaus and Mr. and Mrs. Bruce Waddell, all of Eagle Lake, and also great-grandparents, Mr. and Mrs. Matt Morrison of Wharton, Mrs. William Waddell of Eagle Lake, and Mrs. M.F. Fontenot of Baton Rouge, La.

There was an Open House at St. Mary's School on Saturday evening and all day on Sunday. Many arts and crafts were displayed by the children.

St. Mary's PTC
Plans For Field Day, Communion

The St. Mary's P.T.C. met in the school library on Wednesday, Feb. 16th at 3:30 p.m. The meeting was opened with a prayer and pledge to the flag.

The minutes from the previous meeting were read and they were approved as read. The treasurer's report for the third and fourth grades was presented and paid. Several thank you notes were read.

Roll call by grades was followed by a prayer. The meeting closed with a prayer.

LET WANT ADS WORK FOR YOU

LETTERS TO EDITOR

Cystic Fibrosis Foundation Extends Thanks For Support

Dear Editor:
On behalf of millions of children who suffer from lung-damaging diseases, we want to say "Thank You" to the Eagle Lake Community for the Happy Housers First Annual Charity Ball.

We extend our grateful appreciation to J. T. Pilkington, Joe Frantz and Sonny Spaniel who gave their valuable time and untiring efforts toward this community event.

Also, thanks to the staff of the Eagle Lake Headlight for their generosity in helping to publicize and promote this event.

Your gift of love is nourishing and lengthening the lives of our C/F children.

Sincerely,
Rufus Martin
President, Cystic Fibrosis Foundation
