Xi Pi Psi Installs Mrs. Szymanski Pres.

Xi Pi Psi sorority met May 11th in the home of Ernie Sommerlatte. Lynda Appelt, outgoing president, brought the meeting to order. Martha Lockier presented the program "Change Tomorrow's Dream". She began by reading an interesting statement from the program book. "Open your eyes, some people recognize more than others," she then pointed out some of the changes in our world today as compared to years ago. These being moral standards, birth control, exposure to sex and violence on television and in the movies, change in home life, self values, change in travel, change in fashion and improvements in home cooking aids, just to name a few. In closing she reminded members of the future age and things to look for such as the square tomato, either frozen or canned, solar energy, television computer voting, and time limited phone calls of only five minutes.

Officers installed. After the program Lynda Appelt conducted installation of officers for 1977-78. They are president, Mary Lou Szymanski; vice president, Rita Sunderman; recording secretary, Martha Lockier; treasurer, Phyllis Thomas; corresponding secretary, Cherry Corman; and extension officer, Marilyn Thomas. After the installation the new president, Mary Lou, took over the meeting. She reminded the group of the next meeting which will be at the home of Pat Cook on May 21st at 8 p.m. Guests for the evening was JoAnn Mahalite, member on leave of absence.

Do-it-yourself additions to your home should be insured at the cost of reconstruction of the work by a contractor. You might not be able to perform the work at replacement time. Banks and other lenders usually insist that you insure your car for collision while it is being financed. This coverage remains advisable until the car's value drops to \$300 or so.
