New Name For Home **Dem Clubs**

A new name for "home demonstration" clubs-Extension Homemakers Clubs-will go into effect January across Texas, and Colorado County clubs already joined the effort.

For their new names. olorado County clubs will change the words "home nonstration" to "Extension memakers.

These include the Busy Bee Extension Homemakers Club, Extension Homenakers Club, Explorers Extension Homemakers Club and the Freisburg Extension omemakers Club.

Also the Gay Ladies Extension Homenahine makers Club, the Mentz Extension Homemakers Club, and the Shaws Bend Extension Homemakers Club. This change is affecting the

statewide network of Extention Homeworkers clubs at organizational levels-including community, county, district and state, according to Miss Fay Elliott, Colorado County Extension Homemak ers Council Chairman.

To create the new name mbers of the statewide Texas Home Demonstration Association recently voted to ange the state organization's name to Texas Extension Homemakers Association -a 20,878 member organization of community club members from across Texas. Each club and county council will be considering a local name change to coincide, with the state organization

the state association's affiliation with the National Extension Homemakers Council, Mist Elliott added.
