Rice Student Council Holds Last Meeting

(By Candace Brown)

The Rice High School Student Council held its last meeting of the year with President Bruno Shimek opening the meeting. Regular business of the council was taken care of first and the 1978-79 project was discussed. The project for this year will be a movie or slide screen along with a slide projector equipped with a wide angle lens so that the whole 9x9 screen will be covered.

President Shimek then complimented the council for a job well done on their projects of the past year. Mr. Grahmann came in and complimented the council for an outstanding job this year and Mr. Wendel followed, giving his weekly message to the council.

The meeting was then adjourned by President Shimek.

Art Dept. Makes Good Showing

(By Michael Thomas)

The annual art exhibit put on each May by the Xi Psi Psi sorority of Eagle Lake for the Rice Art Department was a big success. There were many outstanding pieces of art and the students are to be commended for an exceptional job. There were eleven different categories. The categories and first two place winners are:

Oil: Michael Thomas, Michael Thomas; Acrylics: Madeline Korenek, Kathy Frazier; Pencil I: Darrel Appelt, Mary Ann Miller; Pencil II: Kathy Perry, Darrel Appelt; Scratch Art: Jay Bunge, Allen Shimek; Watercolor I: Chris Gold, Darrel Appelt; Watercolor II: Jeanie Gold, Kathy Lloyd; Graphic Design: Darrel Appelt, Arturo Delagaza; Macramé: Keith Sommerlatte, Kathy and Lisa Frazier; Misc.: Woody Jones, Kathy Lloyd.

Madeline Korenek won the best of the show award over the 416 entries in the show. The cheerleaders will be holding a bake sale to help contribute to the expense of their uniforms. The date will be posted later. Also, they will be holding a cheerleading clinic at the end of summer which will also be announced at a later date.

Cheryl Crabb Recognized As District III Leader

(By Joyce Korenek)

Cheryl Crabb, an honor graduate of Rice High School this year, was recently commended for her outstanding service as a District III local chapter president of the Rice Future Teachers of America.

Cheryl received a Certificate of Recognition as a "testimonial of her superior role as a leader of District III at the District III EPTA Installation Banquet held in Victoria on April 18. The award was presented by the District III President, Jennifer Jasek.

Miss Crabb has been a member of the Rice FTA for four years and was recognized as one of the outstanding members at the annual banquet on April 27.

Congratulations to Cheryl!

Pre-Schoolers Taught By HE Classes

(By Candace Brown)

The Rice High School Homemaking classes have been teaching thirty-four children for two weeks from the ages of three to five.

The children are learning art and how to sing, and they listen to records, and students read stories to them. Also, they have an outside recreation period.

This annual event is a learning experience for the students taking Homemaking. This event is sponsored by the Homemaking Department whose teachers include Mrs. White, Mrs. Wunderlich and Mrs. Davison.

Future Teacher Of The Month

(By Leslie Miller)

The Rice High School cheerleaders of 1979-80 will be attending cheerleading camp in San Marcos the 6-10th of August.

The cheerleaders have begun practicing for camp and will continue throughout the summer. During their stay at camp, the cheerleaders will be participating in several activities such as pom pom classes, cheer classes, gymnastic classes and stunt classes. They will complete with other schools and will also be judged upon their own performances. The cheerleaders hope to bring home the "Spirit Stick" this time, which they will try very hard to earn.

During June, the cheerleaders will be holding a bake sale to help contribute to the expense of their uniforms. The date will be posted later. Also, they will be holding a cheerleading clinic at the end of summer which will also be announced at a later date.

ELMS Safety Patrol Visits A Houston PD

(By Leslie Harrison and Stephen Mahalite)

The Eagle Lake Middle School Safety Patrol took a field trip to the Beechnut Police Station, a sub-station of the Houston Police Department. We were toured through the station, being spoken to by several Houston police officers.

Safety Patrol is an organization consisting of seventh and eighth graders. They monitor the walkways and put up the flags every day.

First, the officers showed us a film called "What is a Cop?" The film showed us the different jobs and how they are done by an officer. After the film, several of the officers talked to us, and we asked some questions about their job. Then we were toured through the "Crime Scene Van" and we were shown the different things in it. An officer demonstrated the method by which they get fingerprints off objects. We were shown how radar was used in the police cars. We were then shown a helicopter that had landed while we were there. The pilot talked to us and told us how it is used on the force. They showed us their jail where they hold people three to four hours for misdemeanors before transferring them to the central station.

The members of the ELMS Safety Patrol would like to thank the members of the police department for showing us their station. We would also like to thank our sponsors, Raymond Sykowski, Graham Wied and Miss Suzanne Ramirez, for going on the trip with us.

Winning Essay In Colorado SWCD Contest

This is the winning essay in the Colorado Soil and Water Conservation District No. 333 Essay Contest.

For the second year in a row the winner was John Lee Korenek, Jr. of Garwood. John is a ninth grade student at Rice High School.

The subject for this year's essay was "Conservation District's Role in Tomorrow's Water".

John's winning essay follows:

"Today there is such a demand for water that the careless use of it by people is becoming a threat to our rivers, plants and wildlife. Each day countless gallons of water that are so necessary for the survival of man, plants and wildlife are wasted or polluted by careless people and industries. They really don't see or understand the damage done because they might never go hunting, fishing, camping or just go for a walk in the woods.

"This is where the conservation district comes in. There are many ways in which they help to conserve and promote efficient and sound conservation practices.

"But in order to provide water for the future we will have to take conservative measures today. The conservation district does this by planning ahead. The constant rise in population will bring the development of numerous industries which are the main causes of water pollution. Conservative measures will probably include sewage treat-

Future Teacher Of The Month

(By Bert Tise)

Jacque Kallina has the honor of being selected as the April Future Teacher of the Month. Her contributions to the club during April included helping decorate for the FTA banquet, presenting pins to all officers at the banquet, and staying after the banquet to help clean up.

Jacque will be the last Future Teacher of the Month for this year as there will be no election for May.

Other outstanding FTAers who were candidates for the April Future Teacher of the Month were Suzanne Frybert, Mary Young, Donna Newsum, Roberta Tomchesson and Barbara Frybert.

Last FTA Meeting Of Year Held

(By Susan Konecna)

The last FTA meeting of the 1978-79 school year was held on Wednesday, May 8.

During this meeting, Carolyn Davis and Paula Rohrer presented the monthly program on this year's activities. The club also discussed projects for next year. Jacque Kallina was elected FTA'er of the month and Linda Labay won the door prize.

Mrs. Lillian Gohlke, sponsor, closed the meeting with a word of thanks to the members for a successful year.

Raiders Win Third Dist. Baseball Game

(By Michael Thomas)

The Raiders pulled out a win in Waller Tuesday of last week for their second District win. Many Raiders had hits for the night and they were: John Grammer who had three, Kenny Hyek who had one, Darrel Appelt had two, and David Ruit hit a home run.

The Raiders came out on top 6-0 at the end of the game. Bruno Shimek was hit in the face by the ball but went on to pitch a shut-out for the Raiders.

Gov't Jobs Available To HS Graduates

High school graduates or students expecting to receive their high school diplomas this summer might be interested in investigating the possibility of finding a job in state government. The easiest way to accomplish this goal is to apply for examinations through the Merit System Council. The Council administers examinations for over 280 classifications to recruit personnel for ten state agencies.

The examinations are a free service provided by the state and are administered in Texas Employment Commission Offices in 39 cities on various Saturdays of each month.

In Austin, the Merit System Council in the Brown Building at 8th and Colorado, offers examinations every Saturday at 8:00 a.m. and every Tuesday and Wednesday at 1:00 p.m. in room 512.

For applications or information, write the Merit System Council, Brown Building, P. O. Box 1389, Austin, Texas 78767.
