LETTER TO THE EDITOR

Raider Bandsmen Praised For Participation At Six Flags

It is with a great deal of pride and pleasure that we extend our sincere congratulations to the Rice High School Raider Band for their recent participation in the Six Flags band competition. Only a limited number of bands were eligible for the competition and Rice was among those that qualified.

The students battled not only the pressure of the competition but also Mother Nature. Their three-day trip began on Thursday, May 3rd at 3:00 a.m. in a driving rain and thunderstorm.

The drive to Arlington was less than exciting, under the circumstances, but the students weathered the situation and represented the Rice District well.

Most encouraging during the trip was the exceptional conduct exemplified by the group throughout the three-day excursion.

County Invests \$300,000 In New CD's

\$696,400 CD Is
Maturing May 28th

Colorado County Commissioners' Court, in regular session Monday, authorized the investment of an additional \$300,000 in county funds in certificates of deposit for a 90 day period to bear 14.11% interest.

The court passed until the May 29th meeting action on reinvestment or withdrawal of \$696,400 in funds in a certificate of deposit with First State Bank of Columbus. This certificate will mature on May 28th and will earn a total of \$24,229.00 in interest over the 90 day investment period.

The funds ordered invested in three \$100,000 certificates at the 14.11% interest rate with the county depository, First State Bank, include some funds which are budgeted but presumably will not be needed for the

next 90-day period.

Funds invested in the new certificates included: \$77,000 from the permanent improvement fund, \$30,000 from others salary fund, \$35,000 from road and bridge precinct 1, \$27,000 from R&B precinct 2, \$17,000 from R&B precinct 3, \$30,000 R&B precinct 4, \$20,000 from ad valorem precinct 1, \$30,000 ad valorem precinct 2, \$3,000 from ad valorem precinct 3, \$25,000 from ad valorem precinct 4, and \$6,000 from the lateral road refund precinct 2.

Judge Lester Cranek and Commissioners concurred that the county should be taking advantage of the high interest rate being offered on CD's by placing all available funds, not needed for immediate use, into certificates of deposit.
