

Many ELMS Students Get End-of-Year Awards

Bill Harrison, Jr.
Speaks At
Closing Program

Eagle Lake Middle School held its annual Awards Assembly at 12:45 p.m. Friday when many students received end-of-year awards.

The pledge to the flag was led by Cory Shorter III after which ELMS Principal James Crabbe presented awards for perfect attendance awards.

Teacher awards were presented by art instructor Miss Maria Baltov, science instructor Mrs. Elizabeth Miller, math instructor Mrs. Charlye Spaniel and music director Calvin Zwerzmann.

Harrison is speaker. Bill Harrison, Jr., president of the First National Bank of Eagle Lake was the speaker for the assembly of students, faculty members, parents and friends.

Harrison stressed the importance of Opportunity, Risk, Freedom, Responsibility, and Temptation.

The speaker commented on the temptation the students will face in areas of opportunity and freedom and the risks involved. He noted that too often one is prone to do nothing new nor nothing different or to do things in a manner not as well as we ought to do them.

Too often there is the temptation to do our own thing, without respect for the rights of others," said Mr. Harrison.

He urged the students to make the most of the opportunities offered to them so that they may continue to enjoy the freedoms which are available to them in this country and to preserve them for future generations.

After his talk, eighty-two eighth graders who are being promoted to Rice High School received their certificates of promotion from Supt. E. A. Krivacka and board president Mrs. Jim (Jane) Clippson, Jr.

Honor Roll Certificates went to:

4th grade: Brian Gutierrez, Elida Moreno, Debra Soto and Elizabeth Young;

5th grade: Laura Appelt, Valerie Bengt, Peter Canaris, Donald Hollas, Susan Kaluz, Beverly Rucka, Darlene Stanek, Melinda Stiles, Stralicia White, Frances Young;

6th grade: John Adkins, John Harborth, William Hollas, Richard

Daryl Hunt Is A.C.U. Graduate

Daryl Hunt graduated Cum Laude with a Bachelor of Business Administration degree in Accounting from Abilene Christian University at the graduation exercises held Sunday, May 6th.

Refreshments brought by Lynda were served during the social time that followed.

Last Social for Season A hamburger party at Circle K ranch was the social finale for Xi Psi members and families on May 12. Fishing and games were enjoyed by many attending. Special guests of the event were Marlene and Jim Miller, Darlene and Johnny Dornak and Ethel Kovicka.

There are 27 reigning monarchs in power in the world today, including 12 kings, three queens, two emperors, three princes, one grand duke, three amirs, one sultan, one life president, and one paramount ruler.

'78 Ag Census Reports Are Sought

A drive to round up reports that have not yet been returned from farm households in the 1978 Census of Agriculture was launched this week by the Bureau of the Census. Bureau officials called the drive a "special effort to provide statistical results to the Nation's farmers and other users of census data as early as possible."

Most farm operators first received report forms last January, and most have, by now, completed and returned them. Although the rate at which reports have been returned has exceeded the pace of the last farm census, some farmers and ranchers have not sent in their reports.

Mrs. Cherry Corman has made a wonderful bulletin board for our summer program (shown above). It carries out the theme "In Search of Texas Treasures". Cherry has drawn pictures to represent various cities and parts of Texas. Houston has the Astrodome, Dallas is represented by Six Flags, San Antonio has the Alamo, and the panhandle of Texas has tornadoes. She has done a beautiful job and the librarian knows the children will enjoy it all summer.

"I Never Thought I'd See the Day I Could Walk Into A Size 7, But I Can Thanks to Pat Walker!"

Says Helen Jourde

All through junior high and senior high school I had to wear homemade clothes because it was hard to find ready-made clothes that would fit me. I would look at the slim girls in their cute current fashions and wish I could look like they did. But how could I lose when I didn't like to exercise or diet?

By the time I was in my first year of college I weighed 140 pounds. Relatively few of the girls at college were overweight, and seeing all those slim, fashionable girls made me determined to lose weight! But I was dismayed because I knew I could not do it on my own. I had tried and failed before.

When I saw Pat Walker's ad in the newspaper I decided that this was my chance to finally shed this excess baggage that I was needlessly carrying around.

I was surprised and delighted when I lost weight after just one week of Pat Walker's Figure Salon. Now that I'm down I am very happy indeed. I never thought I'd see the day when I could walk into a size 7, but I can! And I couldn't have done it without Pat Walker.
