

Garden Setting Unites Ruth Ann Bubela, Ronald Zboril

Dr. and Mrs. Ronald W. Zboril

Miss Ruth Ann Bubela became the bride of Ronald W. Zboril, D.D.S., in a pretty garden setting ceremony in St. Mary's Catholic Church Grotto at Nads on June 16th at 10 o'clock in the morning. Officiating was Monsignor Victor Schmidt, who is the bride's father. The bride is the daughter of Mr. and Mrs. Frank Bubela of Garwood; and the groom's parents are Mr. and Mrs. William R. Zboril of Garwood. The grotto was decorated with hurricane lamps and seashells as they designated the altar. The sides of the altar were adorned with baskets of

pink ribbon and silk pink and white roses accented the altar. The bride wore a gown of tulle with a sheer chiffon overlay. For her hair, she wore a small hat in Almond lace with illusion draped over the crown and caught up in back with a satin ribbon. It held tiers of illusion that fell to floor length. The bride carried a bouquet of pink roses and baby's breath, her mother's wedding book and a lace handkerchief given to her as a child by her aunt.

Bride's Attendants
Ma. Laura Bubela of Garwood, sister of the bride, attended as Maid of Honor. Mrs. David Schuring of Garwood, sister of the bride, attended as Matron of Honor. The bride's attendants wore formal length gowns fashioned of satin and tulle in pastel shades of sea blue and soft blue and were in a wrap design. They were beige picture window hats accented with a singular flower and ruffle lace. They carried small nosegays of pink roses and baby's breath.

Serving Dr. Zboril as best man was his brother, Wes Zboril of Garwood. Serving as groomsmen was Tim Zboril of Dallas, also a brother of the groom.

Ringbearer was Master Aaron Bubela, nephew of the bride. Seating the guests was Michael Bubela of Houston, brother of the bride. Witnesses were Mrs. David Schuring of Garwood, sister of the bride, and Tim Zboril of Dallas, brother of the groom.

The bride's mother chose a baby blue two piece linen suit. The mother of the bride wore a white gown with a two piece rose colored ensemble. Both mothers wore coronas of pink roses and baby's breath.

A reception followed the ceremony at the home of the bride's parents in Garwood. The bride's table held the bride's columned cake decorated with spring flowers and cupid's wings by her sister. The other end of the table held a silver punch service. A variety of crystal and silver appointments were used throughout the home.

Mrs. Michael Bubela, sister-in-law of the bride, and Mrs. Tim Zboril, sister-in-law of the groom, served the cake and punch. The bride wore a red organza dress with white accessories and a matching corsage for her traveling attire. After returning from their wedding trip to Oregon, Washington and Canada, the couple will reside in Bellville. Mrs. Zboril graduated from the University of Houston with a BA Degree in History and Geography, and from Prairie View A&M with a Master's in Administration. Dr. Zboril graduated from the University of St. Thomas with a B.S. Degree, and from the University of Texas Dental Branch of Houston with a D.D.S. He is a dentist, presently practicing in Bellville.

Rehearsal Supper
The rehearsal dinner for the Bubela-Zboril wedding was held at the home of the groom's parents in Garwood. After a hospitality period and sumptuous meal, toasts were offered to the couple by members of the wedding party, their friends and invited guests.

Sealy Put On Probation For Football
Sealy School Superintendent Tom Sealy told the Sealy News last week that the Sealy High School football team has been put on probation for the 1979-80 school year by The University Interscholastic League. This is due to a violation of the amateur rule which forbids any athlete receiving monetary awards of any kind or free courtesy involving monetary awards.

Free movie passes for team members and coaches in December brought about this action. These movie admission charges were paid by the students, however, when local school officials learned this was a violation.

The probation will not stop the Tiger team from participation, or from winning district or even state honors, provided no further violations occur. Supt. Golson explained that U.I.L. officials reported that a number of other allegations were made by people in this community and some teachers, which were found to be untrue. The violation which resulted in the probation was reported anonymously, Golson stated.

76-Pound Flathead Catfish Is New Rod & Reel Record
Catching a 76-pound flathead catfish on a trotline would be no small feat, but landing such a fish on standard bass tackle seems to border on science fiction.

Jack Bishop of Carthage now holds the state record for flathead catfish by doing just that on May 15 at Lake Murvaul. The huge fish hit a diving crankbait, and it took Bishop about 30 minutes to subdue it with 20-pound-test line.
