Lunch Policy**

The Rice Consolidated Independent School District announces its policy for Free and Reduced Price Meals for children unable to pay the full price of meals served under the National School Lunch Program.

Children from families whose income is at or below the levels shown in an accompanying advertisement on page ten are eligible for free or reduced price meals. In addition, families not meeting these criteria but with other unusual expenses due to unusually high medical expenses, shelter costs in excess of 30% of income, special education expenses due to the mental or physical condition of child, disaster or casualty losses or who become unemployed, provided that the loss of income causes the family income during the period of unemployment to be at or below the levels shown on the scale, are urged to apply.

Application forms are being sent to all homes in a letter to parents. Additional copies are available at the principal's office in each school. The information provided on the application is confidential and will be used only for the purpose of determining eligibility. Applications may be submitted at any time during the year. Each school and the office of the superintendent has a copy of the complete policy which may be reviewed by any interested party.
