**FTA Welcomes Teachers Back**  
[By Susan Koneba]  
On the first day of school the Rice Future Teachers of America greeted all teachers back to school with medicine jars filled with candy. On each jar was a label which read "Recommended by FTA—Take one when needed to relieve your headache due to overstimulating students."

Members participating in this "welcome back" program were: Gayle Lynn Thomas, Carol Crabb, Brenda Rucka, Pat Bradshaw, Michele Sibbey, Mary Young, Luann Brown, Judy Bunge, and Sharon Johnson. Trudy Stiles, Well, there were some people that did get it right. Alice Matura, Vicki Eberhart, Marcy McInteer, and Janice Clippson were all correct in saying, "That's got to be Wendy Ward."

**Meet The Raiders**  
[By Bert Tise]  
Want to meet your 1979 Raider football team? This is your chance to get to know a little better the individuals that make up the Raider team. This week we will focus on two outstanding wing-backs, John Schneider and Robby Cook.

John, who is a junior this year, weighs 162 pounds and stands at 5'7". He has ample experience, having played on the Varsity last year and three games during his freshman year. In addition to running the ball on offense, John also plays linebacker on defense.

Robby is a Senior this year, weighs 162 pounds and stands at 5'7". He has ample experience, having played on the Varsity last year and three games during his freshman year. In addition to running the ball on offense, Robby also plays linebacker on defense.

John is a member of the National Honor Society, and he also served as Sentinel in the National Honor Society.

**Freshman's Opinion Of High School**  
[By Pam Kallina]  
The 1979-80 year has their own opinions about Rice High School. Many of the Freshmen have the same outlooks. They are in a world of confusion.

The most common opinion among the Freshmen is the big change between Junior High to High School—the switching of classes every period and just meeting all the new people.

Karek Schneider said, "I like it a lot because it's so different and interesting."

Laurie Buehler excitedly said, "I think High School is neat. The best thing about school is all the cute guys around here!"

Susan Driks said with uncertainty in her voice, "So far High School appears to be a lot more fun than Junior High."
