

SHERIFF'S REPORT

Stop For Flashing School Bus Lights

By GEO. "DOC" MUELLER
Sheriff, Colorado County

I would like to remind our citizens that school has taken up again and to please be watchful around our school areas and when meeting a school bus on the roadway. The Law requires that all vehicles come to a complete stop when meeting a school bus stopped on the road with flashing lights flashing. This law requires for traffic meeting or overtaking the school bus to come to a complete stop and remain stopped until the bus starts moving again and the flashing lights are turned off. Then move with extreme caution. We hope that every driver will abide by this law and safeguard our children from any traffic mishaps.

Lewis' Labor
Day Telethon
Nets \$30 Million

The 1979 Jerry Lewis Labor Day Telethon to benefit the Muscular Dystrophy Association (MDA) went off the air with a record \$30,075,227 in pledges. In the Houston Gulf Coast viewing area, where the Telethon was seen over KPRC-TV (Channel 21), \$1,658,399 was pledged.

Telethon '79, which was broadcast by a specially assembled "Love Network" of more than 200 television stations in the continental U.S., Hawaii, Alaska, and Puerto Rico, originated from

Del Webb's Hotel Sahara in Las Vegas. This was the tenth year KPRC-TV has carried the show, and Ron Stone served as the show's round-the-clock master of ceremonies for the fifth year.

The funds raised by the Jerry Lewis Labor Day Telethon support MDA's intensive research and patient care programs. MDA maintains 216 clinics in the U.S., including Puerto Rico and Guam, that provide services free of charge to patients afflicted by any of the 36 neuromuscular disorders covered by the Association.
