Rice District Has A New Health Nurse

(By Janice Waligura)
Mrs. Madilyn Zbranek (RN), a graduate from Incarnate Word College in San Antonio with a B.S. degree in Nursing, will serve as the Rice School District nurse for the 1979-80 school year. She is a resident of the Varwood-Nada area.
Her most important task is to make sure all immunizations and records are up to date according to the Texas Law. All students are to be weighed and measured twice a year to determine normal growth and development.

Hearing and screening tests are to be given. If any health related problems or injuries occur, Mrs. Zbranek will aid the student or faculty members in treatment.

Mrs. Zbranek made a brief remark, "School nursing is new to me and proposes a great many challenges in respect to Public Health."

The club held their first meeting of the 1979-80 school year on Monday, September 17th. The purpose of this meeting was for members to become acquainted and also to discuss projects for the upcoming year.

Officers chosen to represent the VICA club are as follows: Kathy Costa, president; Lora Amos, vice president; Susan Chappel, secretary; Rochelle Story, treasurer; Susan Koncaba, reporter; Veronica Salinas, public relations; and Gwen Black, parliamentarian. Congratulations!

This week we interviewed Mike Vornsand, biology and physical science teacher at Rice High School.

Mr. Vornsand grew up in Oakland, Texas. He attended and graduated from Bishop Forest Catholic School in Schulenburg, Texas. He attended Southwest Texas State University for four years and received a Bachelor's degree in 1973 and his Masters degree in 1978.

Before teaching at Rice High School he taught three years in Stockdale, Texas at Stockdale Jr. High and High School where he taught various types of math such as Algebra, Geometry and Fundamentals of Math. After leaving Stockdale Jr. High and High School, Mr. Vornsand taught Algebra for three years at New Braunfels High School in New Braunfels, Texas.

Mr. Vornsand is married, and his wife teaches at Sheridan Elementary School. When asked why Mr. Vornsand came into this area his reply was, "I like the area, and heard the school system was great." Mr. Vornsand is living in Rock Island, and we are very proud to have him and his wife in our area.
