Cable TV

(Continued from Page One)

"Showtime" will cost an additional \$9.95 per month, but according to Cable TV representatives, it is not mandatory; only those subscribers who desire the additional entertainment will be provided and charged for this service.

"The new service will give the citizens of Eagle Lake one of the most modern cable television systems in the state," said the Cable TV people, "and will also provide an excellent entry into the communication future, as satellite communication."

Other Action

In other action last Tuesday, the council approved the purchase of water line piping for \$7,671.50 from Trans-Tex of San Antonio.

The pipe from Trans-Tex, the lowest bidder of the four entries, will be used for a major water line extension on West Main and extension of services to the area being developed by Eagle Lake Granger, Inc. in the process of being annexed by the city, necessitating the extension of services to them.

The cost of the pipe does not include valves, fittings and fire hydrants, noted City Manager T. J. Smith.

The council also heard a report last Tuesday that the building housing Dan Smith's Designs is no longer en-

Trey Kell Bitten By Small Rattlesnake

Trey Kell, son of Mr. and Mrs. Wm. Kell of this city and a freshman at Wharton County Junior College, was admitted to the Eagle Lake Community Hospital late Wednesday evening with a bite from a small rattlesnake.

It was reported that one of the Kells' index finger. The incident took place near the senior bridge on the new FM 3013 construction. After the bite Kell caught the snake and had it with him when he was admitted to the hospital. A problem developed when it was found that he was allergic to the antivenom, and he will be recuperating in the hospital for several days.

Dog Complaints

It was also reported that complaints concerning stray dogs in the city have increased in the past month. Smith pointed out that city humane officer Ed Harborth has recently changed his employment and that he is not able to spend as much time patrolling problem areas as he has in the past.

Harborth is still employed by the city and does answer complaints from citizens. Anyone needing the officer should contact the Eagle Lake City Hall and they will relay the message to Harborth.

The city would also appreciate having anyone interested in working as a dog catcher to assist with the humane officer's duties, to come by city hall in the Municipal Building, to apply for a position.

ABOUT TOWN

• There's plenty of opportunity to enjoy good food, fun and fellowship with a variety of events underway in the area during the next month or so.

This Saturday, the Eagle Lake Noon Lions will stage their annual Street Carnival. Tuesday, Rotary will hold its Barbecued Chicken Chuck Wagon Supper; the annual Menu picnic is an event this Sun. The NADA KCs will hold a benefit dance Oct. 12th; the Garwood Lions Club Fair and Carnival is Oct. 20th; the St. Mary's PTC will hold a fall festival Nov. 4th; the Eagle Lake Firemen will sponsor a stew supper Nov. 5th; the annual Study Club Library Benefit Banquet is Nov. 9th; and the list goes on and on.

Elda (Mrs. Harold L.) Williams called in to report that she was amazed at the results received from a Headlight classified ad. Her items were sold just a short time after the paper hit the street and—she believes—most subscribers got their papers.

Gene Baker, manager of the Eagle Lake Rice Dryer, pointed out that this is the first time in over twenty years that the dryer was taking in some first crop rice during the month of October. Inclement weather this spring delayed planting for some farmers. Alas, however, reports are that the late harvest is running way below average in yield although the quality is good. Some second crop rice is due to be harvested this week, also, and probably for the first time ever, there could be an overlapping of the first and second crop rice harvest.

The crew at Winternan and Company is just about back to normal. The Fulton Drumsticks returned recently from a stay in Colorado; the Tommy Pilkingtons spent a week in the Bahamas Islands; and the Dan Thorntons and granddaughters, Leslie, returned last week from an enjoyable stay in England and Greece and other points of interest abroad.

We had a lot of calls inquiring about the bright round object seen in the sky over the Eagle Lake area shortly after sunset Sunday evening. Information from the Houston Weather Station is that the object, quite visible because of the sun's reflections on its surface, was a weather balloon at approximately 100,000 feet.

Photographers and writers from Texas Monthly magazine were at The Farris 1912 last week to gather photos and information for an article to appear in the popular magazine sometime in November. Helyn and Bill Farris, owners of The Farris 1912, are thrilled about the forthcoming article since their hotel was one of only seven in the state chosen for the forthcoming issue.

Here's How You Know It's Going To Be A Bad Day

First Place PPK Winners

Fifty-four youngsters, ages eight through thirteen, participated in the Ford Motor Company and National Football League PPK and Kick competition, sponsored here by J.F. Miller Ford, Inc. at Eagle Lake Middle School football field last Saturday morning. First place winner, shown above, received trophies and will participate in the next competition at 9:00 a.m. this Saturday at the Victoria High School stadium. They are: front row, left to right: Juan Garcia, 9

year old winner; Kevin Dornak, 8 year old; John Paul Dornak, 13 year old; Ernest Lemmons, 11 year old; and Dennis Henshall, 12 year old winner. Stanley Powell was announced as the 13 year old winner but a check of records showed that he will be 14 before Dec. 1st hence he was not eligible for the first place trophy in the 13 year old division. The winners are asked to take their birth certificates with them in Victoria Saturday. (See page 7 for more winners.)

2 Arrested On Driving Violations

City Patrolman Jimmy Jenkins arrested two drivers Monday, Oct. 1st, one for driving while license is suspended and the other for driving while intoxicated.

At 12:01 a.m. Monday he arrested Silvio Ortiz at the intersection of Main and McCarty and filed a charge of driving while intoxicated against Ortiz.

Walter Pucella Foster was stopped while travelling westbound on FM 102 for a speeding violation. A check by the officer found that the man's driver's license had been suspended on a previous offense.

Sumers Wins DU Jimmy Reel Award

George W. (Sonny) Sumers, right, was the recipient of the fourth annual J. R. (Jimmy) Reel Sportsmanship Award at the Rice Belt Ducks Unlimited Dinner at the President City Hotel on Wednesday evening of last week. Louis Schorlemmer, left, last year's winner made the presentation and commented on the contributions that Sumers has made to the DU program and added that he was one of the original organizers of the Rice Belt Chapter. Sumers will keep the beautiful trophy until the 1980 winner is named. He also received a beautifully engraved plaque for his permanent possession. For more on the Ducks Unlimited Dinner see page 1.

Hospital Ins. For County Employees Is Changed

Coverage By Blue Cross - Blue Shield May Begin Nov. 1st

The writer of health insurance for county officials and employees was changed in regular session of Commissioners' Court Monday.

The court received two bids, one from the current insurer, Crown Life Insurance Co., and the other from Blue Cross-Blue Shield Insurance Co.

After comparing all facets of the coverage, the court voted to accept the bid of Blue Cross-Blue Shield under a Plan whereby the company will pay 80% of hospital and doctor costs and under a four-rate plan for employee dependents. Blue Cross-Blue Shield offered the 80% coverage for \$30.51 per month for each employee (the county pays for this coverage) with no limit on room rates and under the four-rate plan, an official or employee and children only will be covered for \$59.95 per month; an employee and his spouse only for \$40.26; and an employee and his entire family for \$68.04 per month. The officials and employees pay the difference in the coverage requested above the \$30.51 rate for an employee alone.

Crown Rates Up 23%

Crown's bid on an individual employee was increased by 23% from \$31.15 to \$38.22; and for an employee and dependents, from \$53.92 to \$66.32. Coverage by Crown was also on a room rate of 80% of \$80 for local hospitals and \$110 for Houston hospitals.

Quick Arrest Made Last Wed. In Wilcox Minimax Burglary

Burglary of the Wilcox Minimax last Tuesday, Oct. 2 was solved Wednesday morning in the matter of a couple of hours after the burglary was reported to the Eagle Lake police department.

The burglar broke a hole into the glass panel beside the front door and entered through the hole in the glass and was cut badly and he left blood drops throughout the store as he apparently went from side to side in the store but never entered the office area.

City patrolman Jimmy Jenkins, the investigating officer, said that he was cruising in the area of 90A and Austin Road looking for shops in the burglary when he spotted a black man who acted suspiciously and was walking on 90A in a westerly direction about 1 a.m. Wed. Jenkins first passed by the man but noted that he looked

Sheriff's Car Totaled After Theft Of Services At Garwood

New Uim Man Is Charged In Theft, But Not Arrested

A New Uim man, wanted on charges of thefts in Houston and the states of Washington and California and also facing a revocation of probation charge, is the suspect in a case of theft of gasoline from the Arco Service Center in Garwood last Wed., Oct. 3rd. The effort to arrest the man led to an accident in which a sheriff's car was totally demolished, a motorcycle was stolen in Columbus, and a widespread search was made in this county for the man's whereabouts but late Tuesday he had still eluded officers and arrest.

The county sheriff's office received a call at 11:35 a.m. last Wednesday from Wayne Korenek at the Arco Service Center in Garwood that a man driving a late model Chevrolet Corvette had left the station and failed to pay for 18.75 gallons of gasoline. Officers were en route to Garwood and two miles west of Altair observed the vehicle travelling toward Columbus on Hwy. 71. When officers turned around, the man reportedly drove away at a high rate of speed estimated

to be in excess of 100 miles per hour and the officers lost sight of the vehicle in the area of the old Stafford House.

Other units coming from Columbus to assist said the vehicle never came by them. It is believed the man drove onto one of the side roads to avoid the officers. While searching for the vehicle, County Deputy Sheriff Kenneth Hollan was requested to check behind the Stafford House for the vehicle. While waiting for incoming traffic to pass him before making a turn into the Stafford driveway, a gravel truck driven by Robert L. Singleton ran into the right rear end of the sheriff's vehicle pushing it into a vehicle driven by Antonio C. Molina of Edna. The truck then overrode across the roadway, through a ditch and went through a fence and came to rest in a pasture next

County Tax Valuations Up Slightly

Colorado County Tax Officer Henry J. Hajovsky and staff completed compiling the 1979 tax roll Tuesday of this week and total valuations for the year are \$99,052,256, however due to exemptions, county taxes will be collected on \$96,054,268, and county additional ad valorem and state taxes on a total of \$90,582,955.

The tax officer broke down the total tax roll as follows: land and improvements, up \$3,451,157; railroads, down \$17,501; banks, increase of \$383,550; corporations including utilities, increase of \$2,563,544; and oil and gas, down \$5,565,152. Total increases amounted to \$6,308,251 and decreases totaled \$5,582,653 for a net gain of \$815,598.

Hajovsky said that the 1979 tax statements are due to go into the mail before the end of this week and should be in the hands of taxpayers in advance of a tour which will start Monday to collect 1979 taxes. (See pg. 16.) A 3 percent discount will be allowed on state and county taxes collected during the month of October.

Contract For Courthouse Work Is Let

The final step toward the start of the restoration of the Colorado County Courthouse was taken by the Commissioners' Court Monday when the official contract was signed by the County and Commissioners Rafael Veselka and Crockett Leyendecker for the restoration of the courthouse.

The contract, Precinct 4 Commissioner Bill Siles voted against the approval of the contract and County Judge Lester Cranek and Commissioners Rafael Veselka and Crockett Leyendecker for the restoration of the courthouse.

Judge Cranek said that there will be a lot of confusion for several years and one-half when the work is underway and asked for the cooperation of the county officials, employees and the public during this time.

To Ask Fire Insurance Bids

The court later authorized Judge Cranek to advertise for bids for fire insurance on county buildings since the current policy expires in December.

Siles noted that the coverage on the courthouse at this time is well below the actual cost for the courthouse renovations and urged that the coverage on the courthouse be increased because of the great danger of fire during the restoration program—which will get underway soon.

It was decided that bids will be asked for the present coverage of \$415,000 and also on coverage of \$600,000 and \$800,000 on the courthouse proper; and coverage on the annexes added to the county clerk and county tax offices be asked at the present \$67,000 figure and also for coverage at \$75,000 and \$100,000 levels. Bids for fire insurance coverage are expected to be opened at the Nov. 12th meeting.
