**The Year 1979**

Phyllis Peacock

In the year of 1979 many students accomplished many outstanding academic achievements.

Darrel Appel's art work is a real exhibit. He is now on tour in New York. He received his scholarship in Lubbok, Texas.

Another student Bruno Shmek, won the Houston Lovestock Show and Rodeo Scholarship consisting of \$6000.00. He received his scholarship in Lubbok, Texas.

Also, accomplishing a difficult task was Michele Shiber. Last year she placed first in the All American Basketball Team from McDonald's. He was named to the Greater Houston All Star Team. That game was held in Houston, Texas, at the Summit. He also played in the Texas Oklahoma all star game. The game was played here in Texas at Seminole. John also played in the Texas High School Coaches Association All Star game, that game was held in Fort Worth, Texas. He is now attending San Jacinto College in Texas.

One organization excelling was the boys' basketball team. The first time to ever succeed in doing so in Rice High School history. The state tournament was held in Austin, Texas, in March of 1979. There the basketball team lost in the finals to Seminole. However, even though they lost they did a fantastic job.

In addition to the boys' basketball team, the girls' basketball team also accom-

plished a noteworthy feat. They participated in the Regional Semi-finals in Breham, Texas, where they lost to Pflugerville. They played in the bidistrict game and beat Hardin. They won the title of bidistrict champs of 1979, which helped Sandra Flowers and Patricia Banks achieve recognition to the all district first team in 1979.

The final achievement of 1979 was the boys' basketball team. The hand went to a regional Marching Contest in Victoria, Texas, in November of 1979. They were rated with eleven other schools in the 2A class division and received a division I rating. They did an outstanding performance pleasing everyone.

As you can see many things were accomplished in the year of 1979. Rice High School is very proud of the accomplishments of 1979 and are hoping for just as many in 1980!

**Meet The Rice Raider Boy Cagers**

Registration Completed

(Judy Bunge)

Registration of the Rice High School Freshmen Class for the 1980 school year has been completed. It was held from 7:30 to 8:30 p.m. in each of the three communities on specific nights.

The 101 students from Eagle Lake were registered on January 15, 16 and 17. Eleven students from Sheridan registered on January 22, and twenty-one students from Garwood and Nads registered on January 22.

During the one hour meeting, students were spoken to by both the Rice High School counselors, Bill Carpenter and principal Fred Grammer.

Mr. Grammer spoke to the students about certain aspects of the student handbook including tardiness, dress and grooming codes, absences, drugs and alcohol, and the alternate study program, ASP. Also, he talked about student's and parent's attitudes in regard to working towards the best education possible.

Counselors, Bill Carpenter and Guy Beane, spoke on such matters as the subjects that were offered to freshmen and the requirements for graduation. The counselors had the students fill out an information card, also. The future freshmen were then asked to choose the courses and electives that they were going to take and given the chance to ask any questions that they might have.

Registration went very well this year and Mr. Grammer, Mr. Carpenter and Mr. Beane would like to thank all of the students and their parents. Join their cooperation.

**Meet The Girl Cagers**

Let's meet another Raider girl cager!

This week the Raider Review would like to introduce Joyce Clayton, one of the outstanding members of the girls varsity cagers.

She plays the position of forward and has exhibited her strenuous practice during the games. Joyce wears the number fourteen. She has participated in girls' athletics for three years.

Her first year of lettering of those years, Joyce has participated previously in track for two years and plans to take part this year also.

Joyce is the daughter of Mr. and Mrs. Hollis Clayton of Eagle Lake.

**Guess Who?**

(Leslie Miller)

Can you guess who this little girl is? He's a senior at Rice High School and is quite a conical character. A couple of students thought they knew who it was. Phyllis Peacock thought it was Philip Leopold; Susan Konecha said it just had to be Thomas Kallina; and Julie Criswell said it was John Chisholm. But they were all wrong. Jenny Griffith was the only right guesser who said it had to be none other than Darrel Appel. After all, what 2 year old would have started practicing basketball at such an early age using rubber balls for basketballs?
