Judge Kent Caperton Will Work Hard to Break the Back of Inflation

The incumbent, Senator Moore, is an old-style, free-spending, professional politician. He has publicly stated that *"interest rates must remain high"*. (Bryan Eagle, Feb., 1980)

As our state senator, Kent Caperton will work hard to trim the fat in government and reduce state spending. The result will be a more efficient government--which will slow inflation and bring down spiraling interest rates.

Kent Caperton. A new kind of senator for a new decade. Vote Sat., May 3rd in the Democratic Primary.

Caperton for Texas Senator.

County 4-H Food Show Set Mar. 22

Four-H'ers will match foods and nutrition expertise against each other in the Colorado County 4-H Food Show Saturday, March 22.

About 40 youth will compete in senior, junior, and sub-deb divisions, according to Mrs. Shirley Brown, County Extension Agent. Entries will be on public display from 11:30 a.m. to 12:00 noon at Columbus Elementary School Cafeteria in Columbus.

Senior-division entrants are ages 14-19, while junior-division youth are ages 12-13 and sub-deb entrants are ages 9-11.

This year's theme is "My Favorite Food". For the contest, each 4-H entrant will compete in one of four classes, including main dish, side dish, breads and desserts, or snacks and beverages.

"Because the foods and nutrition program focuses on nutrition, each contestant will have to demonstrate what she or he knows about nutrition, as well as preparation techniques," Mrs. Brown explains. There will also be a program on "Blender Cookery", conducted by Mrs. Donella Pantel, County Extension Agent, for parents and guests. This program will be from 9:00 a.m. to 11:00 a.m. in one of the classrooms.

Cards of Thanks

The program committee for the Quad-County Negro History Commemoration Program would like to express its sincere appreciation to each pastor and citizen for the cooperation and support given to this group in preparing our first program.

Special thanks to Mrs. L. Chavis; Mrs. N. Castle and the Community Choir; Colorado County ushers; The Farris 1912; Canaris Nursery; Rev. O. Rhodes and Rev. C. Evans for broadcast coverage; Rev. J. H. James; the William Appelts; and each person serving as a representative for selling banquet tickets.

Region Science Fair In El Campo Mar. 26-28

The 19th annual El Campo Regional Science and Engineering Fair will begin Wed., March 26 and continue through Fri., March 28, co-sponsored by the El Campo Lions Club and El Campo Independent School District.

Science fair finalists from schools in a 13 county area will set up their exhibits either Wednesday, March 26 from 4 to 10 p.m. in the El Campo High School Gym or Thursday morning, March 27, from 7 to 8:30 a.m.

Two Best of Fair winners will be selected from the Senior Division (grades 9-12) to compete in the International Science and Engineering Fair in St. Paul, Minn. May 5-10.

The fair is open to the public for free viewing Fri., March 28 from 8:45 a.m. until the Awards Ceremony at 8 p.m.

The fair depends upon both financial and intellectual support from organizations, industry, and scientific individuals according to Ken Walla, director. Eagle Lake Middle School, Eagle Lake Primary School and Sheridan Elementary School will send entries to the Regional Science Fair.

A total of 19 students will be taking their projects to the El Campo Regional Science Fair to be held March 26, 27 and 28. Many fine exhibits were prepared by the students and all should be commended for the effort put forth in preparing their projects, said school officials.

Meet At WCJC Mar. 28 On Adult Education

Dr. John Brooks, Dean of Continuing Education and Community Services for Wharton County Junior College in Wharton, announces that there will be a public meeting in the College Board of Trustees Room on Friday, March 28th at 10:00 a.m. for the purpose of organizing and planning a delivery system for Adult Basic Education for Colorado, Matagorda and Wharton Counties.

Interested organizations are invited to attend.

Popcorn's popularity apparently goes back to ancient times. Scientists have found kernels that are nearly 4,000 years old. The Indians of the Americas discovered popcorn before Columbus discovered America. National Geographic World magazine says.
