Men's S'ball To Finalize Summer Plans Tues.

All Teams Must Send Representative

The Rice Area Summer League men's softball program will finalize all plans for its 1980 league next Tuesday, April 15th at the Municipal Building in Eagle Lake at 7:00 p.m.

All teams must be represented at the meeting if they wish to compete in the program this season.

The league held its initial meeting of the year on April 1 and elected Vance Duncan as its new president. Last year's president Arthur Gutierrez will serve as secretary-treasurer and Jeff Frnka is the vice president.

Several items were discussed at that first meeting and final action on those is expected to be taken next Tuesday. Included on the agenda of the upcoming meeting; date for season opener; length of season; fees and fines; roster limits; number of teams; and several other items.

League officials urge team managers or coaches to be present or to have a representative present at this very important meeting.

Track Season Winding Down For Raiders

The track season for Rice CISD teams winds down during the next week with the District 20AA track meets slated for the various divisions.

The Rice Raider girls held their competition on Tuesday of this week at Blinn Junior College in Brenham and results of that meet will be published in next week's issue.

The varsity Raider boys will hold their district competition on Tuesday of next week, also at Blinn. Waller, Bellville and Columbus are among favorites for the team title and the Raiders could also make a bid for that crown.

Competition for the Rice High School junior varsity boys and the Rice Jr. High boys (Eagle Lake, Garwood, Sheridan) seventh and eighth grade divisions will be held this Thursday, April 10th in Waller.

The Eagle Lake Middle School girls will also be competing this Thursday in the seventh and eighth grade divisions of the District Meet at Columbus.

Rice Boys Face Best Class AA Track Team In Needville Sat.

Last Warmup Before Dist. 20AA Track Meet In Brenham April 15

The last regular season track competition prior to the District 20AA meet for the Rice High School Raider boys will be held this Saturday in Needville.

The meet will offer some of the best Class AA competition in the state with most of the talent coming right out of Needville, which owns the 1979 State AA title.

Next Tuesday, the Raiders will compete in the District 20AA track meet at Blinn Junior College in Brenham.

The Raiders got a taste of the powerful Needville lineup last weekend in East Bernard as the Bluejays outscored their nearest competitor in that meet by 30 points. Needville earned 119 points, followed by Waller with 89, Ganado 52, Columbus 45, Rice 42, Tidehaven 37, Royal 29, Palacios 28, Edna 24, Van Vleck 20 and East Bernard 10.

In mounting the win, Needville won seven of nine running events and placed second in another. They also had a first and a second place in the field events.

For the Raiders, coached by Clifton Darden and Finest Axel, it was a disappointing day. Rice finished second behind Edna in Halletsville two weeks ago, 123 to 122, after trailing them 48 to 20 at the conclusion of the field events.

It was the Raiders with a substantial lead this past weekend, though, with Robert Barrios placing first in the pole vault with a 12'6" vault; Victor Davis jumping 21'2½" to take first in the long jump; and Craig Dabney taking third with a 5'10" high jump.

The running events proved disastrous for Rice, placing in only two races and dropping to fifth place in team standings.

Winners included David Long finishing second in the 400 meter race with a 50.46; and the sprint relay team taking fourth (Ricky Toliver, Earnest Fields, Wayne Dabney and David Long).

Raider Nine Drop Two Straight In District Race

Face Another Tough Test Against Sealy At Rice Thursday, 4:00

The Rice High School Raider baseball team will be looking to overcome "two straight" disappointing losses suffered last week when the District 20AA baseball schedule resumes on Thursday.

A 5 to 2 loss at Katy Taylor on April 1st and a 3 to 2 loss to Magnolia on April 3rd give the Raiders a 1-2 mark, the only win coming against defending district champion Bellville in the league opener March 31st.

Action during the upcoming week matches the Raiders against Sealy this Thursday at Raider Field starting at 4:00 p.m. Next Monday Rice travels to Waller with game time slated for 7:30 p.m. The Raiders were scheduled to play Schulenburg on Tuesday night of this week in a non-conference meeting.

Magnolia Downs Rice

Rice rallied for two runs in the fourth inning of last Thursday's game in Magnolia to take a 2 to 0 lead. Arnold Rodriguez singled, stole second and then scored on a base hit by senior second baseman Thomas Kallina to open the fourth inning surge for the Raiders. Kallina eventually scored following walks to Chris Gold, Dwayne Pagel and Kenny Hyak to account for the only other Raider score.

Magnolia got its first run in the fifth and then, trailing 2 to 1 with two outs in the bottom of the seventh inning, scored two runs following a walk and two singles to come from behind and win the game.

John Schneider, 1-1 in league play, struck out four in the contest, walked three and scattered eight hits through the seven innings.

"Magnolia hit the ball well," said Raider Coach Wayne Zimmerhafzel. "But we came up with some good defensive plays to keep us out of trouble."

The Raiders managed only four hits in the game including singles by Rodriguez, Kallina, Rich Farris and Darrel Appelt.

Tennis Team In Dist. Meet Thurs., Fri.

The Rice tennis team will hold its varsity division District Tournament this Thursday and Friday in Sealy.

The Raiders, coached by Gil Stalbaum, go into the meet with a team victory in tournament action held at Rice March 29 and are expected to make a good showing for the district title.

JV Holds Dist. Meet

The junior division of the District Tournament was held on Monday and Tuesday of last week with three of the Raider entries able to place.

In the boys division, the Raider doubles team of Ricky Miller and Jeff Berger won thrilling matches in the semi-finals and finals to capture their division championship.

"They played exceptionally well," Stalbaum proudly reported. "Both of their final matches went three sets against tough teams from Columbus and Sealy. The title was well earned."

In singles Jimmy Epps took third place. Glen Janow, Rice's other entry in the boys division, lost his opening round match.

The two wins gave the Raiders enough points to take second place in the boys' division of the team standings. Sealy was first with 10 followed by Rice with nine and Columbus with eight.

The only entry by Rice in the girls' division was the doubles team of Jonna Webb and Karen Rucka. They were defeated in the opening round by the eventual champions from Sealy.

The loss by the Raiders came in three sets. They won the opening set 7-5, but dropped the next two 4-6, 4-6 in some very close and exciting play, according to Stalbaum.

"It was close all the way," said the coach. "The two teams should have been matched in the finals."

In junior division play, teams are not seeded but are matched by drawings, resulting in the first round pairing.

Sealy was also the team champion in the girls' division with Waller second and Royal third.

28 ELHS Seniors In Class Of '59 Have Reunion Sat.

The Class of 1959 called a gathering of the Eagles Saturday, April 5, 1980, at the home of Mr. and Mrs. Ben Moss. Always being unique, this group celebrated their 21st class reunion and of thirty-four graduating seniors, all but six were in attendance coming from near and far.

Those present from out-of-state were Bob Crutchfield of Peoria, Ill., John Cordova of Sunnyvale, Cal., Sandra Thomas of Raleigh, N.C., Henry Alvarado of Ocean Springs, Miss., and David Konesheck of Daleville, Alabama.

Renewing old friendships, these classmates found they had a lot to be proud of. These students have gone on to represent many occupations including an attorney, educators in all levels from elementary through college, a dentist, a pharmacist, nurses and others associated with the medical profession, sales management, civil servants, a printer, contracting, a legal secretary, an administrative supervisor with Southwestern Bell, a helicopter pilot and instructor, an insurance executive, and college students.

The affair began at 2 p.m. with barbecue and covered dishes on the grounds. Excitement arose with each new arrival. For many, it had been twenty-one years between visits. Drop-in guests during the afternoon included parents and former teachers. Former Principal and Mrs. Willard Etheridge came from their home in the Valley to participate in the celebration. Mrs. H. C. Ripple, former fourth and fifth grade teacher, recanted stories and secrets from by-gone days. Mr. and Mrs. H. C. Photographs and annuals were shared by all, creating [illegible] and some embarrassment!

The evening ended with the singing of E.L.H.S. and listening and dancing to the music of the '50s.

A special thank you was issued by all for the efforts of Mr. and Mrs. Ben Moss and

KEEP YOUR VOICE STRONG IN THE TEXAS SENATE!

Senator William T. "Bill" Moore stands up for you.

• For agriculture
Senator Moore believes Texas must work to remain a top food and fiber producer in the 1980's. "I will use my experience and influence in the Senate to make sure that state government supports our agricultural community." Senator Moore backs agricultural support and research institutions like the Texas A & M Extension Service.

• For people's rights
Senator Moore has long supported the right of a person to hold a job without being required to join a labor union. "The liberals have tried to get Texas' right-to-work law repealed before and they'll try again. I will oppose them with every ounce of energy I have."

• Against bigger government
Senator Moore knows that Texas attracts hard-working people and good industries because it will stay off their backs and out of their business. Says Senator Moore: "I will continue to oppose any government rule or law that will mean a bigger spend-more, tax-more bureaucracy."
