Corps Recognized For Outstanding Service

The Eagle Lake unit of the Colorado County Volunteer Emergency Ambulance Corps was recognized by Alpha Delta Phi Sorority for its outstanding contribution to the citizens of the community when sorority president Gail Guthman [left] and sorority service chairman Diana Brunner [right] presented a plaque to the Corps' president, Joe Herbert McCreary [center] last Thursday night as part of the "Good Health Week" being observed here. Mrs. Brunner noted that the plaque was given by the sorority "in recognition and appreciation for your service to our community." The award is the second annual presentation made by the sorority, the first going to the Eagle Lake Volunteer Fire Department.

Police Dept. Mayor Says Relief "In Sight"

(Continued from Page One)

$72,000 for the police department with $25,000 going toward patrolman's wages, an increase of about seven percent over last year, according to the mayor.

Van Nort questioned whether the increase was enough.

"I'd rather the city get a qualified man for a higher wage than go to bed worrying where the next burglary might occur," he said. "We can either pay more to patrolmen or pay for the crimes."

Councilman Eugene Baker agreed with Van Nort that wages should be increased "if that is what it takes to get a full force."

According to the mayor, Eagle Lake's salary is comparable to that of Columbus and Weimar, and agreed with councilman Alvin Kohleffel that the salary was not the lone reason for the negative results.

City Being Protected

Despite the two openings, Mayor Struss assured the council that the city is being well protected with the aid of the county sheriff's office, the highway patrol and the game warden. However, councilman Ralph Truly believes the city shouldn't "overuse" other agencies' services.

"I think the citizens and other law enforcement agencies have tolerated more than they should," warned Truly, and urged that the city get its department "back into shape."

The mayor all but assured the council that a new man would be hired on Wednesday, April 23, and indicated that he had another man in mind, easing most of the tension surrounding the discussion and allowing the budget to be approved as it was proposed.

Demo Primary Election Sat.

(Continued from Page One)

State Representative from the 30th District including Colorado, Bastrop, Lee, Fayette and Gonzales counties are: Robert Saunders of La Grange, Paul Cooper of Gonzales and Bobby Dean Gresser of Schulenburg. John Wilson, who held that office, is seeking election to the position of State Senator from the 18th District (formerly held by Bill Patman) and is opposed by James Lee Carroll of Temple.

Incumbent State Senator William T. (Bill) Moore in the Fifth District is facing a challenge in his bid for re-election from Kent Caperton of Bryan.

County Split In Cong. Race

Because of redistricting procedures of several years ago, this county is split for the purpose of voting for a United States Congressman. Most of the county will nominate a candidate for the Tenth Congressional District, but the area to the south of Highway 90A to the intersection with Highway 71 and west of the Colorado River will nominate a candidate for the Fourteenth Congressional District.

United States Congressman J. J. (Jake) Pickle of the Tenth Congressional District is opposed on the ballot by Greg Stallings.

Candidates for the Fourteenth Congressional District position are: William N. (Bill) Patman, formerly senator in District 18, Joe Salem, Robert N. (Bobi Barnes and Jason Luby.

New County Chairman

Sam R. Seymour, Jr., who held the position of County Chairman of the Democratic Party in this county for over twenty years, is not seeking re-election and the only candidate for the office of County Chairman is Robert C. Schiurring of Garwood.

J. T. (Tommy) Pilkington is listed on the ballot as a candidate for Democratic Party precinct chairman in Eagle Lake Precinct 17.

There will be competition for some other state offices, most of which are judges, and those may be found on a sample ballot published on page 15 of this issue.

In order to be eligible to vote in the primary election you must have been issued the new "white" voter registration certificate which became valid on March 1, 1980. The "gold" colored voting certificate is now invalid.

Big Turnover In City's Police Dept. During The Past Year

The City of Eagle Lake police department has faced a big turnover since July of 1979, right after the force appeared to be running smoothly.

Bufford Ashley, police chief at that time, had a complete staff with two patrolmen and special officer Bill Chavis and some talk was aired of adding a third patrolman to the staff. However, beginning in July, the department has had problems keeping the two patrol positions staffed. Here is what has happened since that time:

* July 6, 1979 - Patrolman Clark Mugrage resigns, no explanation given; force is one man short;
* July 11, 1979 - Patrolman Richard La Course resigns, says "pressure of police work" forced him to seek other employment; force now two men short;
* August 1, 1979 - Guadalupe Villarreal, Jr., hired as patrolman; force still one man short;
* August 13, 1979 - Jimmy Jenkins hired as patrolman to fully staff department.
* October 29, 1979 - Jenkins resigns, accepts position as sergeant with sheriff's department in Fredericksburg. "Owning property in that area and better opportunity" reasons for leaving; police department one man short.
* December 10, 1979 - Chief Ashley resigns, no reason for departure given; no chief and one patrolman short;
* January 10, 1980 - Villarreal named new police chief; announces hiring of Roy E. Willeford as patrolman; department still one man short;
* March 19, 1980 - Willeford resigns, both patrolman positions vacant.

Future community education programs are being planned for the topics of Weight Control and Hypertension.

Commr. Court Votes Against Additional Sr. Citizens Funds

Colorado County Commissioners' Court in special session Monday voted 3-2 to turn down an additional $1,643 which was to have been made available to this county for operation of the Senior Citizens program in this county.

Judge Lester J. Cranek told the court that the county qualified for the additional $1,643 from its pro rata share of a surplus found available to the 12 counties in a consortium for federal funding. The county had received $18,528 for operation of the program in 1980 and the $1,643 would have been above that figure.

Mrs. Connie Ilse, director of the program, recommended that the $1,643 be allocated: to an increase in the director's pay from $3.50 to $4.25 per hour for a 32 hour week, at a cost of $960; $275 to utilities, etc., $100 to printing and supplies, $188 to craft supplies and $75 for insurance for the driver of the van.

Precinct 3 Commissioner Leyendecker said he advocated turning down the additional funds if they would be applied to the "national debt." Judge Cranek agreed however that if the county did not accept the funds, they probably would be divided among other counties in the consortium that asked for them.

In light of this Precinct Commissioner Otto Loesnin moved that the funds be accepted and the motion was seconded by Precinct 2 Commissioner Rafael Veselka. They voted for accepting the additional funds, Leyendecker and Precinct 4 Commissioner Bill Stiles against and Judge Cranek broke the tie and voted not to request the additional funds on the grounds that some efforts must be made to halt runaway inflation and to balance the federal budget.

Other Court Action

Other action by the court in the special meeting Monday included: approval of telephone applications on right of way and under numerous roads in the county; approval of specifications for a new car for the sheriff's department to be opened at the May 12th meeting. A 1977 Ford LTD II and a 1976 Plymouth will be traded in on the new car.

The court also approved the bond of Dean & Keng Paving Co. which has a contract to do some paving and seal coating work in this county.

The court also approved a pay raise for all county employee's police and authorized Precinct 4 Commissioner Bill Stiles to continue paying a long time employee, Steve Coleman $19 years with the county) even though Coleman's period of illness has passed the sick leave period authorized for county employees.

Bank Deposits Up $2.8 Million

The First National Bank of Eagle Lake recorded another sharp increase in deposits for the period ending March 31, 1980, as noted in the bank's statement in this issue. For the period ending March 31, 1980 deposits were listed at $31,283,618 or $2,870,554 more than the deposits on March 31, 1979 of $28,413,064.

The First National lists total resources of $36,480,653 as compared to $32,958,145 on Mar. 31, 1979. Loans for the period were also up slightly, from $19,228,528 in 1979 to $19,742,512 for the current period.

One Guilty In Death Of Douglass'

A report from a newspaper in Oklahoma City brings the information that one of the two men charged with the murders of the Rev. and Mrs. Richard B. Douglass at their rural home on Oct. 13, 1979, has been found guilty and sentenced to life.

Steven Keith Hatch, an itinerant oilfield worker, was found guilty of murder in the deaths of Richard and Marilyn Douglass. He was given the death sentence for each murder and was sentenced to 90 years in prison for aggravated assaults on the Douglass children who were wounded.

Co-defendant Glen Burton Ake was ruled insane and unfit to stand trial. He is undergoing treatment in a mental hospital in northeast Oklahoma.

The Rev. Mr. Douglass was pastor of Putnam City Baptist Church in Oklahoma City. He was a former pastor of First Baptist Church in Eagle Lake and the family had many friends in this area. He and Mrs. Douglass had been foreign missionaries to Brazil.

According to the story in the Oklahoma City paper, Oklahoma law provides that any participant in an armed robbery in which death occurs is guilty of murder, which carries an automatic death penalty by lethal injection.

It is expected that the conviction will be appealed. Ake will stand trial if he's ever ruled competent to do so.

Leslie Douglass, 13, is living with relatives and attending school out of town. Brooks, 16, will graduate from Putnam City High School this spring.

No Major Injuries In Accident At 90A, 102 Thurs.

Occupants of two vehicles escaped serious injury when their vehicles were in collision at the intersection of U.S. 90A and FM 3013 on the eastern edge of the city at 7:30 a.m. last Thursday. Eagle Lake Ambulance Corps was called to the scene but the call was cancelled before the corpsman got to the scene.

Police Chief Lupe Villarreal, Jr. investigated the accident. His report showed that a 1976 Courier pickup driven by Joyce Wilson Maly of Lissie and a 1980 Thunderbird driven by Lester Henry Herman of Eagle Lake were involved in a collision. The officer said the Maly vehicle was going west on 90A and made a left turn and crossed into the lane of Herman's vehicle and the pickup hit the left front fender of the Thunderbird.

Maly was charged with failure to yield right of way to a vehicle.

Gravel Truck, Train Collide Here Monday

The driver of a large gravel truck escaped injury although heavy damage resulted to the trailer of the truck when the vehicle was hit in the rear of the trailer, near the wheels, by a Southern Pacific freight train at the Stevenson Street crossing in Eagle Lake at 11:30 a.m. Monday of this week.

Investigating officer was Deputy Sheriff Richard La Prelle. Mr. La Prelle said the truck and trailer, owned by Wayne D. Craig, was heading south on Stevenson and the driver, Daniel Lynn Cardenas thought he could clear the crossing at Postoffice Street but did not make it and the train hit the back of the trailer.

Heavy damage was done to the rear portion of the trailer. Cardenas was charged with operating an unsafe vehicle (brakes reportedly were not functioning properly) and with failure to yield right of way to a train.

2 Vehicles Collide At 90A, CR 106 Intersection Thurs.

Occupants in two vehicles which collided at the intersection of U.S. 90A and County Road 106 at 8:33 a.m. last Thursday, April 24th, escaped injury.

Highway Patrolman Joel Garcia, the investigating officer, reported that a 1976 Ford Courier was being driven east on 90A by Louis John Onhaiser of Conroe when a 1961 Ford Galaxie driven by Jesse E. Ellis of Rock Island drove off the county road onto the highway. Onhaiser tried to avoid collision but the two vehicles did collide with no injuries and light damage. Ellis was cited for not having a valid driver's license.

Blowout Causes Truck Wreck On Hwy. 71 Friday

A blowout on the left front tire of a truck and trailer heading west on Highway 71 at 4 a.m. Friday, April 25th a mile west of the intersection with County Road 333, was reported to be the cause of a one-vehicle accident.

Highway Patrolman Joel Garcia, the investigating officer, reported that the truck and trailer, owned by Internal Western Mud Corp.
