Rice 'Sweepstakes' Band In Concert Tonite, Thurs.

On Monday, May 5 and Wednesday, May 7, the Mighty Raider Band will be in concert at the Sheridan School, the Eagle Lake Middle School and the Garwood School. The Sweepstakes band performed a concert of light music for its very receptive audiences. Almost every section of the band was featured and many solos were spotlighted during the hand concerts. Soloists included: Robert Moss, Rich Farris, Arnold Rodriguez, Cindy Rodriguez, Michael Heifer, Philip Leopold, Gilbert Correll, Sam Pirtle, John Stephens, Gaye Lynn Thomas, Becky Anderson, Carol Crabb, and Michele Sibley. The audience was also treated to a performance of "N.F.L. Today" featuring drum major Lori Mahalic and drummers Carolyn Pavlu, DeLestyn Valenta, Laann Brown, and Judy Bunge. The band invites the public to attend its annual spring concert which will include much of the music performed for the students. This concert will be performed in the Rice High School Commons on Thursday, May 15 at 7:30 p.m. This will be the last chance for the public to attend an appearance by the first Raider Sweepstakes band.

Gutierrez Receives Last FTA Award
Patsy Gutierrez, future member of the Senior Teachers of America, was selected as the final FTA'er of the school year. She has been one of the club's tutors throughout the year, but during the month of April, she not only tutored her two students but also instructed a third student. Other candidates who performed some activity for the club during the month of April were Veronica Salinas, Carolyn Pavlu, Lori Mahalic, Lulu Yanez, Mary Young, and Dorz Jaramillo.

Perfect Attendance 12 Years

Linda Lohay, right, Rice High School senior, is shown receiving congratulations from Principal Fred Grammas at the Senior Awards ceremony held last Friday for achieving twelve years of perfect attendance in elementary, junior high and now in high school.

VOE Employees Of The Week

Rice High School VOE "Employees of the Week", left to right, Sharron Schneider and Sandra Henderson-Raider.

VOE Contest Employees Of The Week
The two VOE students who received the honor of being called the "Employee of the Week" for the week of April 28 through May 2 were Sandra Henderson and Sharron Schneider. Sandra is a senior and a member of the afternoon VOE class. She is presently involved in FFA, OEA, and she is the president of 4-H. As Sandra's award she received one day's absence from school and visited K. R. Abel and Son Trucking in Matthews. Sandra commented, "The visit to K. R. Abel and Son, Inc. was an excellent experience because it gave me the insight of how things work in a business office." Sandra is the daughter of Mr. and Mrs. Norman Henderson of Altair.

Applicants Needed For Voc. Nursing

Only two more testing dates are left to qualify for enrollment in the next vocational nursing class at Wharton County Junior College in Wharton where the twelve-month program begins August 25. Pre-entrance tests have been scheduled for Wed., 21 and June 4 at 8 a.m. in Room 214 of the J. R. Peace Building. Fee is \$10. Additional information can be obtained from the Department of Vocational Nursing.

Friday, May 16 at 8 p.m. in Tiger football stadium located on the Boling Highway in Wharton. Candidates for associate degrees in applied science or fine arts will receive their diplomas from Dr. J. Daniel Schumann of East Bernard, chairman of the Board of Trustees. Thirty-eight other students are eligible for vocational nursing certificates.

YOUR AIR CONDITIONER NEEDS AN ANNUAL CHECK-UP TOO!

And the best time to get it done is now, before your air conditioning system has to go into daily use against the heat and humidity of our South Texas summer. Undetected problems can make your air conditioner use up to 50% more electricity than it should! To make sure your air conditioner is operating at peak efficiency, schedule a tune-up by your dealer or other qualified technician. It's important to keep your cooling equipment in good working order, since air conditioning accounts for more than half the electricity used in most air conditioned homes during the summer. You can exercise substantial control over your use of electricity—and, consequently, the size of your bill—just by using air conditioning wisely. Central Power and Light Company offers these suggestions to help:

- Clean or replace the filter once a month or, even better, every two weeks.
- Stop air leaks by caulking and weather stripping cracks around windows and doors. A well sealed house can save up to 10% on air conditioning operating costs.
- Outside sections of central air conditioning must have free circulation of air for good performance; clear away all obstructions.
- Keep direct sunlight out of the house with draperies, blinds, shades or awnings. Provide additional shade by planting trees or shrubs.

If you want more information on operating your air conditioning more economically, we have a free booklet for you. Ask for "How to Save Money on Air Conditioning" at any CPL office.
