News From Heritage House

(By Rev. Mary Flores)

Father's Day

Sunday morning, June 15th a party was held in the dining room for all the fathers at Heritage House. A very pretty cake, decorated in blue, was cut and passed out to the residents. Coffee and punch were served by our S.A.D. Mass Price. We hope and pray that all fathers of the world had a good and peaceful day with their families.

Church Services

Church services were held in the dining room with the Rev. George Welch of the Christ Episcopal Church. The sermon was from St. Luke Chapter 7. Many people try to be friends, love and the love of God too. Many of us think that we are doing God a favor by being his friend, but it's not true. To make friends, love thy fellow man and trust. Always love God, who forgives our sins and loves us too. Services ended with a prayer.

We would like to say thank you to Walter Lee Bauer for the pretty flowers he brought us to enjoy.

Tuesday afternoon the residents gathered in the lobby to exercise with volunteer Caroline Leher and our very good friend Mr. Stewart from Wharton. We appreciate Mr. Stewart coming to share the beautiful relationship that he has with Jesus.

Volunteers Jean McIntire and her daughter Julie and Eva Marshall were here to visit the residents and to pass out orange juice to them. We are always happy to see them.

Wednesday afternoon, Mae Price, our S.A.D., called out bingo to the residents in the dining room. Fruit was passed out as prizes.

Happy Surprise

Resident Ruby Mathis and Mae Price had a very pleasant surprise Wednesday afternoon when Mr. and Mrs. Bradley Cloud of Galveston stopped by for a visit. Ruby met Bradley when she was living in Galveston prior to moving to Heritage House and Mr. Bradley has known Ruby all his life as he is originally from Boling. There was a real get-together in room 46.

Mr. Anderson brought out to Heritage House Mr. Rosemary Mallet from Kerrville to speak to the residents before supper in the dining room. Rosemary is blind and she told us that at first she did not want anybody around her and she felt so alone. Now she makes pottery vases and place mats and can type and also works at the rehabilitation center for blind and crippled children in Kerrville. We all enjoyed her talk very much because she showed us that even though we are handicapped life still holds a lot of opportunities for us. We hope that she will come again for a visit.

Volunteers Emma Thomas and Margie Ewert visited the residents and helped the aides take them to the dining room. Then Emma asked resident Mary Flores if she would record "One Day at a Time" again for her. So many of Mary's friends like to hear her sing that hymn and want to have a tape of it.

Sale A Success

Thursday morning we held our rummage sale in front of Heritage House. We want to thank the following people for helping us: Jean and Julie McIntire, Eva Marshall and Emma Pastorek. And also thanks to FM Station KULM in Columbus for the announcement of the sale three times. For everyone that came by to make it a success we would like to say "Thank you."

The residents of Heritage House would like to say a very big "thank you" to Louis Kohlfiedel for the two boxes of pastries that were delivered to us Thursday morning. And also for the orange drinks that were brought in Friday morning. Everyone was ready to enjoy the goodies and drinks but later we were so full that everyone had a very light supper. Again we say "Thank you, Mr. Kohlfiedel."
