## New Children's Vision Screening in Effect Sept. 1

Effective September 1, 1980, the Texas Children's Vision Screening Act of 1979 requires that all children enrolling in any public, private, parochial, or denominational school for the first time, shall have either been examined by a physician or an optometrist licensed to practice in the United States, or have undergone a vision screening test approved by the Texas Board of Health.

According to the Texas Department of Health, the purpose of this Act is to identify children who are in need of a professional eye examination to determine whether they are visually handicapped.

at the Eagle Lake office of the American Rice Growers Cooperative Association last Wednesday. Forty-six lots of rice, totaling 214,777 Cwt. went up for bids at last week's sale.

The local office will hold another sale on Wednesday of this week which will bring to around 90% of the 1980 rice which has gone up for bids. At the sale last Wednesday, only 11 of the 46 lots were sold on bids offered.

Quality of the rice continues below par. Top bid of the day last week was $11.83 per Cwt. offered by Texas Rice Production for LaBelle rice grown by Henry Sunderman. The lot milled 60-69-1, one of the few lots offered this year to reach the 60% whole grain level.

Second highest bid was $11.65 offered by Texas Rice Production for rice offered by the I. V. Duncan Ranch; milling 55-70-1; and third highest of the day was $11.64 also offered by Texas Rice Production for rice grown by Melvin Graham milling 57-68-1.

Texas Rice Production was the predominate high bidder, offering the top bid on 30 of the 46 lots. Other mills with top bids were Comet, Cotra, Inc., P &.S, West Texas and Elco.

Euryza, Lindsey, Riviana and Uncle Ben's mills passed on the bidding.

The market jumped up from 15 to 50c per Cwt. last Thursday and mills upped some of last week's bids, according to local rice association manager Donald Obenhaus. As improved market is expected this week as the demand for better quality rice increases. This area is reported to have some of the "better" quality rice in the country at this time, stated Obenhaus.

The sale brought to 600,000 Cwt. the amount of 1980 rice which has been offered for sale this year, but only about 15% of that amount has been sold on the bids offered.

## Texas Tourist Brochure For Mex. Visitors

"Citing his commitment to enhance trade, tourism, and friendly relations between Texas and Mexico, Gov. Bill Clements in a State Capitol ceremony last week presented Mexico Consul Victor Romero Lopetegui first copies of a colorful new Texas tourist brochure designed especially for Mexican visitors.

Echoing the governor's hopes for closer international ties, Consul Romero said that tourist literature in Spanish is a courteous and effective way to serve visitors from Mexico.

"This promotes people-to-people contact," the consul added, "which is the best way to strengthen bonds between nations."

The Spanish-language brochure portrays Texas vacation opportunities in every season of the year. Color photos depict rides at Six Flags and Astroworld, sunny beach and golf scenes, plus major-league sports, nightclubbing and elegant dining.
