VFW Aux. Cites Etiquette For Stars and Stripes

The flag is very much a part of our daily lives. We should always respect it because it represents every thing we are as Americans—everything we hope to be.

One of the primary purposes of the Americanism and Patriotic Office of the VFW Auxiliary is to keep the spirit and traditions of our country alive in various ways of the history, customs, and other information that they have.

The U.S. flag represents an eye-opening combination of brilliant red, white and blue colors but it should never be used as a garment, a handkerchief, apron, or in anything. This is improper because these subjects the flag to temporary and secondary importance.

Public Law 94-84, passed by the 94th Congress on July 1, 1975, is known as the Federal Flag Code. It is the guide for all handling and display of the U.S. flag and so that every citizen can understand the rules clearly and not get themselves in embarrassing situations.

Section 1: It is established for the use of such citizens or civilian groups or organizations as may not be required to conform with regulations promulgated by the U.S. Army, Navy, Air Force, Department of the Govt. of the U.S.

Section 2: It is the universal custom to display the flag only from sunrise to sunset on buildings and on stationary flagpoles in the open.

However, when a patriotic effect is desired, the flag may be displayed twenty-four hours a day if properly illuminated during the hours of darkness.

The flag should be hoisted brightly and lowered ceremoniously.

The flag should not be displayed: on days when the weather is inclement except when as all weather flag is displayed.

The flag should be displayed on all special days as listed:

New Year's Day - Jan. 1
Independence Day - Jan. 20
Lincoln's Birthday - Feb. 12
Washington's Birthday - 3rd Monday in Feb.
Easter Sunday - (variable date)

Constitution Day - Sept. 17
Columbus Day - 2nd Monday in Oct.
Veterans Day - Nov. 11
Thanksgiving Day - 4th Thursday in Nov.
Christmas Day - Dec. 25
Such other days may be proclaimed by the President of the United States (date of admission)
State Holidays
Daily on or near the main administration building of every public institution; In or near every polling place on election days; In or near every schoolhouse.

The Federal Flag Code has eight sections, and we hope consecutively in the next several months to complete "The Code" for all interested citizens in our area.

The VFW publishes a booklet "Etiquette of the Stars and Stripes" that has become a standard flag reference for schools and colleges, also civic, patriotic and fraternal organizations.
